Motor Cycle Report

The breakfast this month was held at the Mallee Steam & Oil Rally at Woorinen. 13 bikes rolled up 7 either brought their own breakfast or purchased theirs at the rally. The event was a great show even though it was dampened a bit with the rain. The tractor pull was moved to a bit higher & drier ground and went off successfully. Member had a good day and a catch up for a chat.

Oldest Holden museum in Australia to close in April

The National Holden Motor Museum – which claims to be the longest continuously-running museum in Australia dedicated to a single car manufacturer in Victoria – will close in April 2024. Opened in 1984, the museum was first located in Bayswater before moving to Echuca in 1993.

Owners Tony and Mark Galea said there haven't been any serious buyers, so they will close on 14 April. Most of the vehicles on display are on loan: the remainder will be sold via Burns & Co. in an upcoming auction.
