PRESIDENT'S REPORT

Hi all members

Firstly, my apology for having missed my first Broken Spoke report for Issue 326

The secretary Julie and I were off enjoying north Western Australia mainly the Gibb River Road known for its ability to destroy caravans and 4WDs; but with cautious progress we survived. We did note that one or two 4WDs were exiting daily on the back of the recovery trucks - means that sadly someone's holiday was ruined.

Apart from the remoteness the attraction is the large number of gorges and waterfalls you can visit and swim in plus the spectacular views with ever changing scenery and the interesting water crossings - but look out for crocodiles.

On the way up we stopped in at the National Transport Museum in Alice Springs. A place to spend a few hours viewing the collection of vintage cars, trucks and not so old trucks in the Kenworth Hall of Fame where you can also see a Divalls Truck on display.

Our return was via The Great Northern Hwy then the Goldfields Hwy, down through central Western Australia. There were lots of very long road trains hauling ore to the nearest processing facility.

The unwritten rule was travel at 90 to 95km/hour - that is Road train speed, you don't catch them and they don't catch you. You do see lots going the other direction, it means there are lots also traveling your direction on their return trip.

The Club has been very busy with regular local social events with great attendance. Also note that our car club will be attending the ever popular Lilac Time Parade on the 4 October 2026.

Till next time take care. and keep those wheels turning.

Howard Kneebone

FROM THE EDITOR

Welcome to our 327th edition of the Broken Spoke, the magazine for the Veteran and Vintage Car Club of Goulburn.

A small group of members have been working on arrangements for the Clubs DIAMOND ANNIVERSARY for next year. They have settled on **Friday 2nd, Saturday 3rd and Sunday 4th of April 2027**, this will be an important club event and now is the time to put these dates into your 2027 diary. As time goes on more details will be available such as venues, route for the run and full costs.

I would like to take this opportunity to thank those members who have assisted me over the last few months by offering contributions when I have been unable to participate in club events. In, particular, Kathy and Bruce, without these contributions the Broken Spoke would indeed be broken and very lean.

Enjoy and happy historic motoring

Regards

Graham Mansfield

READING THE SIGNS

Road sign next to a river – When this sign is underwater, the road is impassable.

Street sign - For that run-down feeling why not try jay-walking?

On an ancient car – I bought this at auction – what's your excuse?

This car may be old – but it's in front of you and paid for!

CLUB RUNS

LUNCH RUN ROYAL HOTEL DALTON Sunday 5th July (Courtesy of Kathy)

On Sunday July 5, we met at Victoria Park, had a quick catch up before getting under way. We took the quiet route out along the Gurrundah Road through Gunning onto Dalton.

When we went into the Dalton Hotel, new members, Joe and Maureen, were waiting for us. Our lunches were soon ordered although a mix up with the deliveries meant that Brian received a bowl of chips that he didn't order and John & Iris missed out. It all worked out in the end.

Also at the Hotel were bike riders from Goulburn including club members Andrew and Karen, so we had a little talk to them.

We came home down the Highway and saw the damage left by the huge truck and fire accident there five days earlier, the road area was a mess.

As it was a cold day all members except for Ivan and Sandra in their Stag, went in their modern vehicles. Those present were:

Kevin & Bev, Tony & Yvonne, Brian, Dennis, John & Iris, Christine, Doug & Anna, Joe & Maureen and Bruce & Kathy.

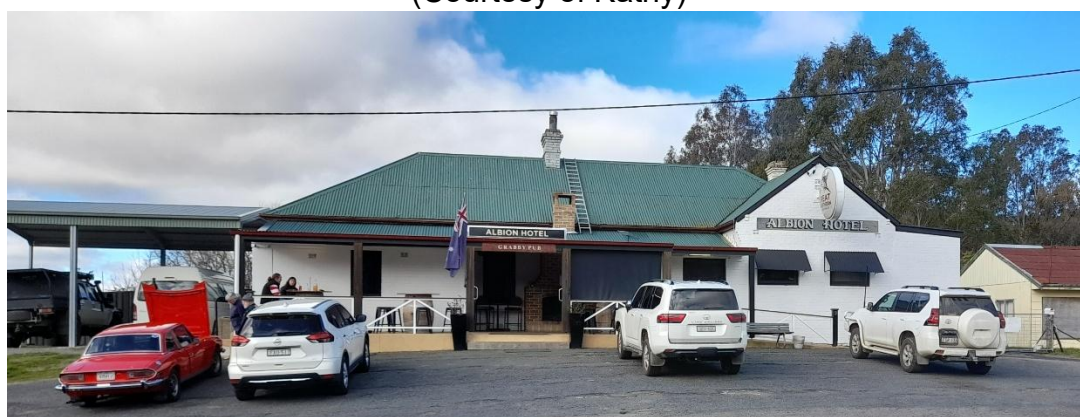

LUNCH RUN
CRITERION HOTEL CROOKWELL
Thursday 16th July
 (Courtesy of Kathy)

On Thursday July 16, members travelled to Crookwell for lunch at the Criterion Hotel. It was a good venue, with room to move around to chat to each other and the food was very tasty. Members enjoying the day out were Kevin and Bev in the VW Combi and Ivan in his Stag. In their moderns were: Doug & Anna, Brian & Doug, Lloyd & Michelle, David, Mauren & Joe, Tony & Yvonne and Bruce & Kathy.

LUNCH RUN
ALBION HOTEL GRABEN GULLEN
Sunday 26th July
 (Courtesy of Kathy)

On Sunday July 26, members drove to Grabben Gullen for lunch at the hotel. It has changed management since our last visit and you could notice a difference inside as it was a lot roomier.

Lunches were soon ordered and we then were able to catch up with Graham and his friend Don who haven't been able to attend an event for some time.

As the hotel doesn't sell hot drinks and it was a bitterly cold day, we went onto Crookwell for coffee and a small birthday cake to celebrate Kevin's birthday.

It was great that our Crookwell members were able to join us for the outing.

Members out for the day were: Kevin & Bev in the VW Combi and Ivan & Sandra in the Stag. Those in their moderns were: Brian & Helen, Doug, Anna & Jenny, Graham & Bob, David, Graham & Christine, Keith and Bruce & Kathy.

LUNCH RUN
TARALGA HOTEL
Sunday 2nd August
(Courtesy of Kathy)

LUNCH RUN
MIDGE CAFÉ, TALLONG
Thursday 13th August
(Courtesy of Kathy)

On Thursday August 13, we gathered at Victoria Park before heading off to Tallong. On arrival, we went into the Midge Café for our lunch.

The owner, Sharon, is a teacher I worked with back in the day and it was nice to catch up with her and try out her cooking.

Everyone enjoyed the meals such as a good old -fashioned hamburger, curried eggs on sour dough or Moroccan beef.

Afterwards, members were going to have look at a local's car collection but we couldn't stay as I had an appointment back in town.

Those on the outing were Ray in his Valiant and the rest of us in our moderns were: Tony & Yvonne, Kevin & Bev, John & Iris, Brian & Helen, Joe & Maureen, Graham & Bob and Kathy & Bruce.

LUNCH RUN
OLIVE VIEW CAFÉ, COLLECTOR
Sunday 23rd August

On Sunday, August 23, members travelled to the Olive Grove at Collector for lunch. Some took a longer route while others went directly to the venue.

We were seated near the open fire which was very warming. Whilst waiting for our meals, we took in the views over the olive vines and beyond.

Service was quick and soon everyone was enjoying their lunch and chatting.

Members attending were Ivan & Sandra in the Triumph Stag and Howard, Julie, Ross & Tracey in the Riley. Others were Tony & Yvonne, Lloyd & Michelle, Dog & Julie, Jobi & Di, Maureen & Ray, John & Iris, Graham & Christine, Brian & Helen, Kevin & Bev and Bruce & Kathy

LUNCH RUN
HEATHERBRAE PIES
Thursday 17th September

Thirteen members took part in the run up the highway to Heatherbrae pies at Sally's Corner. The day was very pleasant and on our arrival the car park was surprisingly empty, however that did not last long as other customers arrived on our heels.

Everybody soon tucked in to pies and coffee or tea and most left with additional goodies for home consumption. On the hill behind the Pie Shop, management has established the GLUTEN FREE SHED where they sell a range of gluten free products, including fresh baked bread, for those with coeliacs in their orbit this was a welcome addition.

Members attending were:

Brian & Helen; Tony & Yvonne; Lloyd & Michelle & Pam in modern cars and Bruce & Graham (Ford XR6); Kev & Bev (Kombi) and Ivan & Sandra (Triumph).

LUNCH RUN
BRAIDWOOD SERVICES CLUB
Sunday 27th September

(Courtesy of Iris)

15 members went to Braidwood Services Club on Sunday 26th. It was a cool day but warm inside with good food and lots of chatter and No One got lost

The members attending were:

Soie & John; Helen & Brian; Di & Jobi; Anna & Doug; Sandra & Ivan; Yvonne & Tony; Iris & John and Lloyd.

 - That there is one or 2 Registrars i.e. Responsible persons only for stamping of historic registration documents: Kel Moorby and Howard Kneebone (president). (the club retains 2 stamps – one by Kel and one by Secretary)
 - That the previous name of dating officers is now termed as the **Eligibility Team** to determine that a vehicle is historic i.e. more than 30 years old and check for modification not compliant with historic vehicle classification unless for safety reasons as per TfNSW rules. This team is **Kel Moorby, Graham Mansfield, Bruce Booby, Howard Kneebone and Ross Luff.**
