# President's Report

Welcome to the August AGM and general meeting.

The year has gone very quickly - we have been busy with various runs and visits from other Car Clubs including several from South Australia. The Jaguar Car Club of S.A. visited in September last year and the Gawler Car Club visited a couple of months ago. Our Club entertained the visitors in our Club rooms and they were very impressed with our efforts. We were honoured to host the Federation for their AGM and general meeting last August.

The Club ran a very successful Easter Rally. It was the 25th biennial rally and attracted 82 entries which was a great result. The Rally Committee worked hard to make it an interesting and enjoyable rally for all participants.

The Events Committee have organised a variety of events each month to entertain our members. The President's Run was well attended with great weather on the day - thanks to Glen Underhill and Rex and Joan Stone for allowing the Club to visit.

Sadly we lost some valued members of the Club during the year including our first lady life member, Jan Collins.

On a positive note, we have installed new shelves in the library which has opened up the area and makes everything much more accessible. Wentworth Shire Council organised the concrete for the path and steps at the back of the Club rooms prior to the Easter Rally.

The Constitution Sub Committee have worked hard to update the Club's rules which have been sent out to all members and will be voted on at the AGM. All Committee positions will be declared vacant and will need to be filled at the AGM for the following year.

Leonie and I will probably miss the September meeting as we will be travelling.

Happy and safe motoring,

Graeme

## President's Run, Sunday July 13<sup>th</sup> 2025

At 10am on Sunday July 13<sup>th</sup> around 50 members attended the club rooms for a cuppa and morning tea, after which President Skinner lead us off to the Trentham Cliffs Fisheries, a Cod Fish Farm on the Sturt Highway. Once we all arrived we were met by the owner of the facility Mr Glenn Underhill. We were shown the fingerling tanks inside an insulated shed, where it is kept dark pretty much all day to promote a more rapid growth. The process of growing the fish was explained to us. An interesting process where the juvenile fish are fed and the fish waste and uneaten food is filtered out consistently. Once the fish are about 25cm in length they are transferred to one of about six outside dams on the property.

We were taken down to the dam area, where we were taken onto a floating pontoon, so we could see, close up the somewhat larger fish in the nets. A very interesting outing.

Soon after midday we headed back to the Club Rooms, where we were treated to a Barbeque sausage in bread. Around about 1.30 p.m. (for those who were still keen) we headed off again, this time to Yelta, as club members Rex and Joan Stone had invited members to their home for afternoon tea.

On arrival Rex and Joan welcomed us into their lovely outdoor area, where Rex had a nice open fire burning. Whilst members had a cuppa, most wandered around the gardens, where Rex and Joan had on display, many historic artefacts, mostly old metal tools and machinery amongst lush trees and shrubs.

All up, a wonderful day and a well supported President's run.

A huge thank you goes to Glenn Underhill for giving up his time on a Sunday to show us his wonderful facility. Many Thanks to our Club President Graeme Skinner for organising the run, to Leonie for providing morning and afternoon tea and lunch, Frank Wallace and Mack Warchow for cooking the BBQ lunch, Rex and Joan Stone, and again our host Glenn Underhill for his time and information.

## **AGM Reports**

### **Catering:**

It has been a busy year for the catering side of the club, with our club hosting the Federation meeting in August .

With much sadness we catered for Jenny Bennett's and Jan Collins wake two of our much valued members. On the happy side of things we catered for a couple of visiting clubs and our usual monthly meeting suppers. I would like to express my sincere gratitude to everyone that has helped in any way whether it be donations of food or hands on thank you. Jenny Lloyd has done a great job organizing rosters to keep things flowing smoothly and Kay Lawrence for her hands on help at meetings and functions thank you both. I would like to welcome Anika to the kitchen. She has been a great help at the last 2 meetings, very willing to learn and maybe our caterer in the future.

To all keep up the good work as our club is known far and wide for its beautiful food and kind hospitality.

Many thanks Leonie

### **Events:**

We had a good year with members attendance on runs slowly growing after COVID. With a variety of runs, with some week day runs. We would like to thank all the members that made the effort to come on our runs. The committee put a lot of time and effort into organising these events. I would like to thank the other committee members for the effort they have made over the last twelve months.

This will be my last report as a part of the events committee as it is time to hand the position over. Shane.

### **Editor:**

The Bulbhorn has been pretty well supported over the last year with members supplying photos and completed reports. Don't feel that sending photos or reports will be a waste of time and effort as it is better to have too much material than not enough. Apologies if you have sent something in and it didn't get published as sometimes things get "lost" in the system, nothing like computers to really make things complicated!

Regards George.

### Some History of this car:

Purchased new from Westland Motors Balranald by Miss Mavis Linnett of D Block station Balranald. She married later in life to Mr George Smith and moved from station life into Balranald. It was last registered in 1973 and kept in a garage from then onward. It has always been serviced by Westland motors. Graham Clark (of Nichols Point) was gifted the car by Mavis before her passing. This car was purchased from Barry Clark of Cavs Car Sales by the present owner.

It's that time of year, remember you only have until the end of June to renew your membership.
