President's Report

Hi Everyone,

Our Easter Rally is just around the corner , it is very heartening to see the numbers that have entered for this year's event. At first we thought we were going to struggle to get enough entries to hold the Rally, even got to the point where we thought we may have to cancel it. Entries from Broken Hill started to come in others started to follow good support from our members has bolstered numbers we now have round about 50 Entries which makes a good reward for the effort of the Rally committee. Well Done

As usual we will need marshals to help with the rally so any member that may not be going to the rally but would like to help in some way, please contact a Rally Committee member.

Regards Don

OWNED & RUN

Jo and I did a recent trip to Myrtleford and back. I thought we would come back via Denny and Moulamein. There were many (12+) places like this around Moulamein where you had to slow to 20kph to avoid damage to your car. The bitumen was gone for the full width and about 3m long leaving a dip up to 150mm deep. What a mess!

How did you go? Here are the solutions..

HAND STARTER
to fit 49-73 Volkswagen & Karmann Ghia

Start your Volkswagen—even if battery is low, or if starter doesn't work. Hand starter is used in rope fashion, similar to outboard motor. Gets you going as long as coil provides spark. Store in glove compartment. (Exc. F'back & S'back). Shpg. wt. 2 lbs.

Left: Back when MG wasn't owned by SAIC Motor, a Chinese state owned company.

Above: I don't know how hard this would be to use, possibly easier than hand cranking.

Lake Cullulleraine Camp

The Lake Cullulleraine caravanning weekend was a great success (again). We were blessed with really nice hot weather, no wind, no dust and good company! Quite a few couples decided to make the outing an extended getaway. Those members arrived on Thursday afternoon and stayed until Monday. Over the weekend the club's gazebo / shades were set up so members could spend time relaxing by the water in the shade. Some members arrived with their bicycles and canoes on board, while others made good use of the hire kayaks, available at the lake. Most of us kept cool by taking a dip in the lake, and consuming a few fizzy drinks. Col McCarthy and family friend Lewis O'Rourke spent a bit of time successfully yabbing in the Murray. The yabbies were cook up and offered around. They made a tasty treat for those who like them. Thanks to all who attended the weekend, and to the events committee for organising it.

We also welcome back vehicle entertainment and activities for the whole family.

Having an exhibition space at the Show & Shine is a terrific opportunity for your club to gain excellent exposure and we are delighted that you have taken up the opportunity to join us.

WHAT IS A CLUB EVENT MARSHALL?

A Club Event Marshall is one of the most important volunteer roles on the day - helping make our event run smoothly and safely for all. With so many participants we are unable to communicate effectively with each of them one-to-one, and we thank you for taking on this role to ensure everyone is aware of what is required of them to ensure a wonderful event.

What we need you to do:

- Manage registrations for the event
- Communicate event requirements to the club
- Complete volunteer registration documentation

What you need to bring:

- Bags of energy and enthusiasm
- Great communication skills
- Be reliable and punctual
- Be willing to get involved where needed
- Able to deal with problems in a cool and calm manner

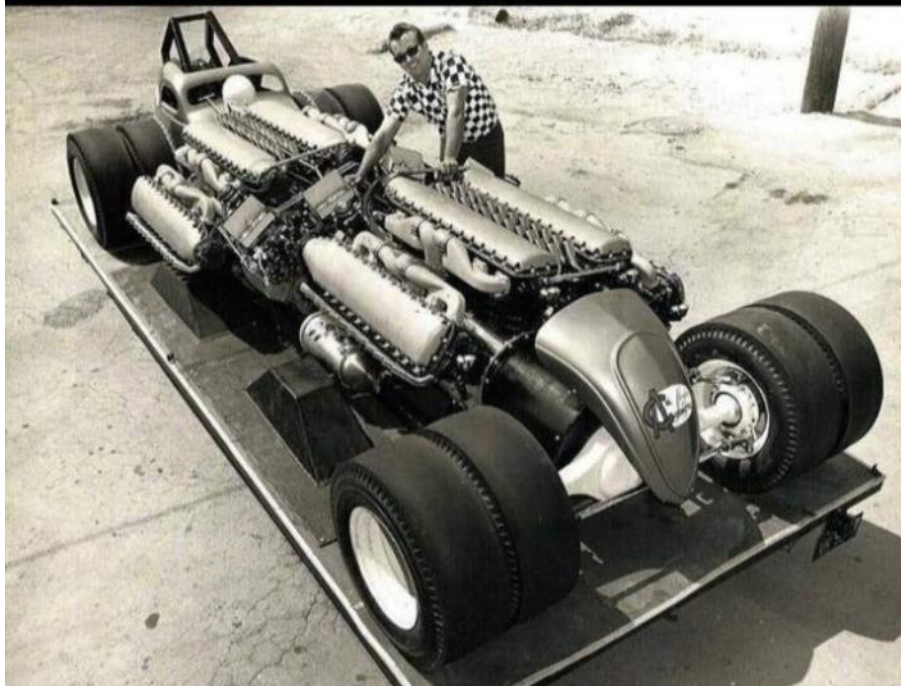

What we can offer you:

- You'll get a great overview of what it takes to run an event
- A fun time and the opportunity to work alongside a fantastic team of volunteers

What we ask of you:

- To operate within the Show & Shine event guidelines
- Assist with the setup of the event including positioning of signage, equipment, safety barriers etc.
- Ensure participants are following the bump in and bump out procedures
- Guide visitors and represent Mildura
- Use mobile communication to keep in contact with MCH event team, safety officer and other marshalls, and report any issues requiring attention
- To assist in event bump out and return any signage and equipment

1965 "Quad Al" - a 12000 hp, 4WD dragster powered by four Allison V1710 V12 engines. Based on a FIAT 500 "Topolino".

An Oddity:

I don't know much of the history but I know it would cost a fortune for a new set of plugs! I wonder if it has a diff at each end? It may have one pair of engines for the front wheels and the other pair for the back wheels???

4000hp out of an Alison V12 sounds a bit optimistic. I would have thought around 1500hp would have been closer.

**EASTER SATURDAY 8th APRIL
8:00am to 12noon**

Jaycee Park
Hugh King Drive, Mildura

Why not have breakfast at the Market on the way to the Buronga Wetlands? Using only local produce, including SRS farm fresh free range eggs with a local butcher supplying the meat, a local bakery supplying the bread rolls and quality vegetables straight from the farm gate!

PSYCHE PUMPS

Psyche Pump Station was built in 1891 by the Chaffey brothers to meet the needs of the irrigation settlement.

Water was pumped from the Murray River to Kings Billabong and then distributed throughout the area via a series of channels.

The steam-powered pump was replaced in 1959 by an electric pump. The original pump house still stands at Psyche Bend, complete with the restored original pump, and is the oldest pump configuration of its type in the world.

The steam-powered pump will be operating on Easter Sunday.

LANGTREE HALL MUSEUM

Langtree Hall was built in 1889 and was Mildura's first public hall. Originally in Langtree Avenue, over the years it has been used for a variety of purposes.

Band recitals, concerts, operettas, and dramatic performances by local and visiting performers were an early feature.

Langtree Hall is now situated at 79 Walnut Avenue, and it was once called the 'Lyric Theatre'. Since being moved to its present location in Walnut Avenue, the hall has been restored and established as a privately-owned museum by the Cornell family.

It has a stunning collection of district memorabilia.

It is open Wednesday, Friday and Saturday
11am to 4pm

Rally Committee: Carolyn Gowers reported that entries were slow to start with. Now have 36 but would like more so please get your entries in. Closing date is end of February. Rally badges will be ordered on Monday so let Carolyn know if you plan to enter so we order enough badges.

General Business:

1. Calendars - if you have not received your free calendar, please collect after the meeting.
2. Trevor Combe suggested we contact Farmer's Market as it would be an ideal location to display our vehicles. Shane said we have done displays before but not many members got involved. With insurance and public liability, cars are not allowed to be moved while the public are around so it makes for a long day. Don said we used to have a display at the Red Cliffs market but numbers attending declined.
3. Lease agreement - a copy has been received.
4. Bulbhorns - most members received the February Bulbhorn via email.
5. Robert Rigby said that the Club's information in Restored Cars/Unique Cars etc needs to be updated.
6. Robert Rigby spoke about Lake Gairdner Speed Week - 19th to 24th March. The website of Dry Lakes Racers Australia - www.dlra.org.au - has all the information.
7. Leonie Lyttleton spoke of the problem with mice in the kitchen cupboards. She suggested getting lino for the shelves and plugging the holes with steel wool. Also make sure all cupboard doors are closed properly.
8. Liz Wallace said the windows need cleaning.
9. Water restrictions have been introduced for Buronga/Gol Gol. Now on Stage One.
10. Leonie Lyttleton thanked everyone who brought food and helped out at the two wakes held late last year.
11. Richard Munro thanked all those who supported Australia Day at the Inland Botanic Gardens. Close to 400 breakfasts were served. Michael Keenan thanked Buronga/Gol Gol Lions Club for their efforts on the day.
12. Jenny Lloyd asked for volunteers for the supper roster for April, May, June and July.
13. Don Carr said the Committee met earlier this week. Plan to apply for a grant through Federation for a laptop computer.
14. Marjory Kissick asked about the EFTPOS machine. Rod has the machine but is still working through all the massive amount of paperwork.

The raffle was drawn by Graeme Skinner. Raised \$166

Meeting was closed at 8.55pm followed by supper.
