President's Report

Hello, and welcome to our November edition.

October was quite a busy month, with various events we, as a club, participated in.

Our annual Jacaranda Village visit at Red Cliffs was well-received, as always, with several members taking the time to take their vehicles out to bring back some memories and brighten the day of residents.

Another community event we attended was the Lake School Fete, and although the weather was inclement, those who attended drew many favorable comments regarding our vehicles.

As always, our thanks go to all who take the time and effort to attend these events, by doing so you enhance the club's public profile, and provide the opportunity for the general public to stop and chat with members.

Between now and the end of the year we have several events we'll be involved with, both in-club and externally, so I'd encourage as many members as possible to attend as many as possible.

Many thanks as always,

Trevor.

Jacaranda Village Visit

Thursday the 8th of October was another beautiful spring day for a visit to Jacaranda Village, aged care facility in Red Cliffs. By the allocated start time of 10:00am there were 10 vehicles on display accompanied by 13 club members.

Quite a few residents came out to look at the display on offer. The male residents, in particular, took keen interest in some of the older vehicles. Morning tea was supplied by the facility in the outdoor BBQ area, where club members sat and chatted with some of the residents. A good morning was had by all, and the Village management was most grateful for our attendance.

By 11:30 a.m. we made our way across to Merbein, where those making that journey, met up with another six members at the Merbein Hotel for lunch.

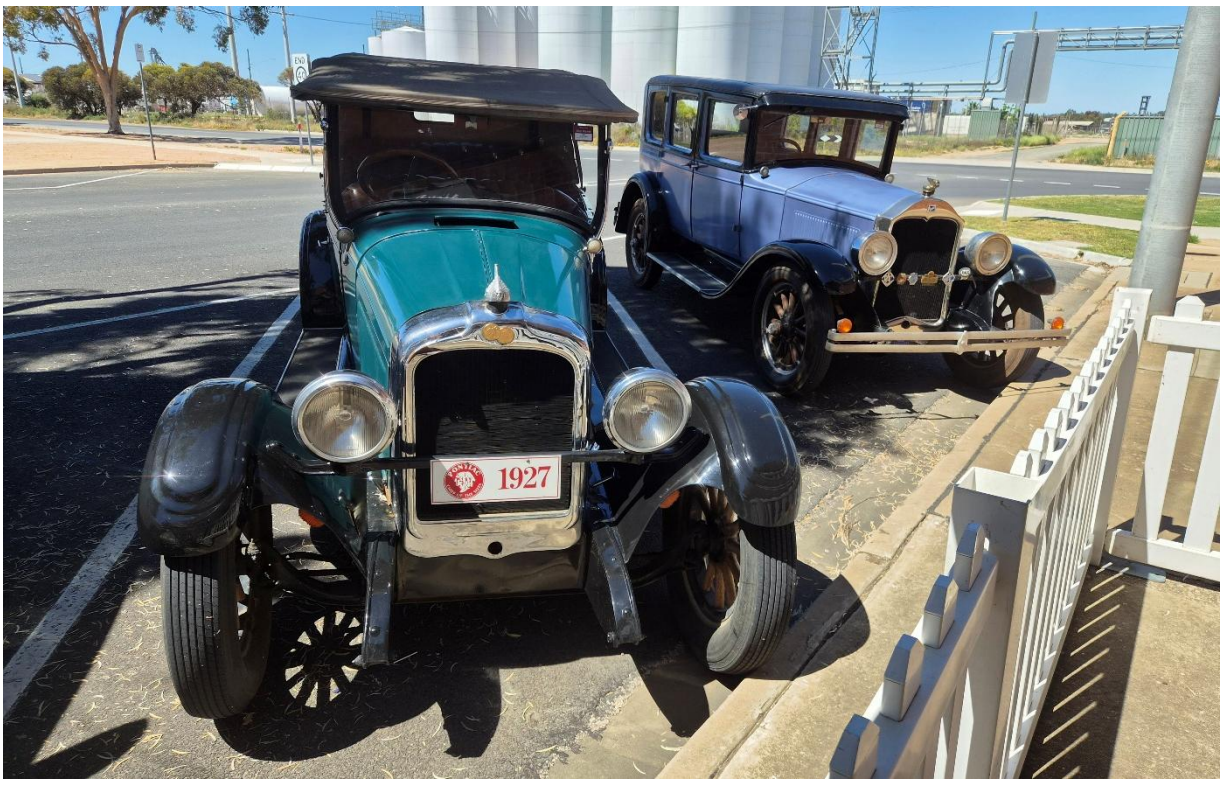

A great day and a good time were had by those in attendance. Thanks to our events directors, Royston and Jenny Lloyd, for organising the run.

RAMBLER - A SHORT HISTORY

I was interested to see the 1902 Rambler with the other Veterans that recently visited the area. I spoke to the owner and he was impressed that I knew that they were built by Thomas Jeffery, after building bicycles for many years. These were also called Ramblers. His first car was in fact built in 1902 with total output being 1,500 vehicles that year. In 1908 the company installed over 5,000 road signs, indicating the distance to the next town as well as the word Rambler. Then tragedy struck the Jeffrey family, with Thomas dying in 1910, his son Charles was one of the 761 survivors of the Luisitania sinking and never fully got over it. In 1916 the family were ready to sell the business and along came Charles Nash, looking to buy an automobile factory after resigning as president of General Motors. At this time the cars were named “Jeffery”, and by 1918 they were then branded as “Nash”. In fact, in 1917 some were sold with either name. Nash then produced a long line of very good cars, his slogan being “Built Up To A Standard Not Down to A Price”. (Certainly different to many Chinese cars on the market today.)

In 1937, Nash-Kelvinator Corporation was formed and in 1950 they released a compact car called the Nash Rambler. In 1954 a further merger occurred with Hudson, and American Motors came into being. After 1958 all models were Ramblers, continuing until 1978 when the last Rambler was built, owned at this time by Chrysler.

My interest in these cars came from the family business, as originally J.E. Rigby & Son were agents for Hudson, then Rigby Motors being the Rambler agent in Mildura.

Phil Muir's Success at this Year's Bay to Birdwood

The RAA circulated by email, the following after this year's Bay to Birdwood and it sums up what our movement is all about really. This event is on my bucket list to do.

What an incredible celebration of motoring history.

Thank you for joining us at the RAA Bay to Birdwood 2026 and helping create an unforgettable atmosphere from West Beach to the National Motor Museum in the Adelaide Hills.

Thousands of spectators lined the route to cheer on more than 1,500 vehicles as they made their way to the Finish Festival, where enthusiasts, families and first-time visitors came together to enjoy a fantastic day of motoring, food, entertainment and community spirit.

Whether you spent the day along the route, explored the vehicle displays, enjoyed live music, or simply soaked up the festival atmosphere, thank you for being part of one of Australia's most iconic motoring events.

Success went to Phil Muir by winning the Pre 1950 Preservation Award in his 1932 Commer Raider Truck. Congratulations and well done.

The Suggestion Box!

Members are welcome to put forward suggestions relating to any aspect of the club such as activities to do or places for runs. Suggestions can be left in the box provided at the club rooms.

General Business:

1. Trevor Combe requested members keep the disabled car park area free for those who are less fortunate and need to park close to the hall.
2. Leonie Lyttleton thanked all those who helped with catering for the Austin 7 Rally and the Veteran Rally last weekend. Both Clubs were very grateful.

   Carolyn Gowers moved a vote of thanks to Leonie for her tremendous effort. Seconded by Robert Rigby. Members applauded to show appreciation to Leonie.
3. Leonie Lyttleton spoke about the 60th anniversary dinner to be held on Saturday 7th November at the Club rooms. RSVP to Graeme, Robert or Gerry. If there is not enough interest, the dinner will not go ahead.
4. Trevor thanked all those who work tirelessly in the Club, some in the background, and he thanked Leonie and helpers for recent catering events.
5. Halloween hall hire - earlier in the year, the Committee agreed to hiring the hall for a Halloween display that is a fundraiser for Make A Wish (Hallowish for Halloween). They would like to decorate the day before and pack up the day after. We will need helpers to make sure that some one is present at all times. Let Carolyn know if you are able to assist.
6. Robert Rigby informed the meeting that there was an earthquake at Casterton a few weeks ago.
7. Royston Lloyd said the Willy's Club also visited the area recently.
8. Robert Rigby recently met the curator of MOVE (Museum of Vehicle Evolution) in Shepparton. As well as an amazing display of vehicles, there is also an incredible clothing/costume collection on display.
9. Royston Lloyd asked members if there would be any interest in a weekend away. Some hands were raised so Royston will look into it.

The raffle was drawn by Graeme Skinner. Raised $175

Meeting was closed at 8.10pm followed by supper.

Please do not get your paperwork signed by those not authorised to do so.

Lunch out at "The Cliffs" Roadhouse

Several members had a run to "The Cliffs Roadhouse" for lunch followed by a talk at the clubrooms regarding the launching of balloons from the local weather station to monitor radioactive fallout from bomb testing in central Australia in the 50's. Unfortunately, I couldn't make it to the talk and have not had any feed back regarding how the talk went. It sounded like an interesting topic. Below are a couple of photos from the day.

OLD CAR RADIOS Fixed
REPAIR - REBUILD - RECONDITION
We specialise in repairing and/or modifying pre 1995 car radios, AM FM Cartridge Cassettes and CDs.
We can also add AUX inputs to most car radios that allow you to use of an FM tuner or play music from your iPod, MP3 Player, Phone etc, making your old car radio better than ever before. And the best part is your radio still looks totally original.
Our external module options, including bluetooth connectivity, simply hide away behind your dash.
• Add an FM Tuner Aux Bluetooth to AM radios keeping original internals
• Add an AUX Input & play music from your iPod, MP3 Player, Phone etc...
• Add a BLUETOOTH Module & Stream music directly through your radio like a modern vehicle
Based in Melbourne, we also accept work from interstate and overseas. Please contact us for advice about freight.
We accept most credit cards, direct deposits & paypal.
