President's Report

Welcome Members to our July edition Bulbhorn,

It is with heavy hearts we say goodbye to life member Jan Collins. Jan will be greatly missed in the club. Also, former members Elwyn Hall and Tony Piscioneri, our condolences go out to all their family and friends. On a lighter note, we hosted the Gawler Club on Sunday the 15th there were 76 of them, we had BBQ and salad with hot fruit pies for dessert and fruit salad for dietary needs, well the compliments flowed thick and fast on such a lovely lunch. After lunch Graeme entertained them with some quiz questions and guess the make of the matchbox toy. To finish the afternoon off their president thanked everyone involved in the day, he went on to give a wrap on how good our clubrooms are and made specific points of things we have in our rooms. Their club is in the throes of getting a shed at the moment and would like to return the favour when they are up and running. They presented our club with a badge and sticker they had made for this rally. The president's run is on Sunday 13th we will leave from clubrooms about 10.30 then visit an interesting private property then back to clubrooms for a snag in bread lunch and working on something else for after lunch. Everyone should have the constitution on email or hardcopy now please read carefully as we need to move on with this. Please consider nomination for Committee as all positions are open, nomination forms are on the committee desk at the front. Subs are now due and must be paid by the end of June to be a financial member and continue on the red plate permit scheme, remember

YOU ARE RESPONSLE.

The raffle was drawn by Graeme Skinner. Raised \$155

Meeting was closed at 8.20pm followed by supper.

If any member past or present has any old photos of club runs, vehicles or members, please let me know. We are looking for photos of interest mainly prior to 2001

There is one requirement though!

I need to know (roughly) when and where the photo was taken, and who is in it. If it is a photo of a vehicle, we need to know which club member owned it.

If you bring your photos to a club meeting, I can copy them there and then and you can take your photo home with you. (I do not need to keep it) or I will accept scanned copies via email

provided the required information is attached.

The Photographic history of our club will continue to evolve over time and will be on display at club functions and gatherings where and when convenient.

The purpose of the collection is to display, in a pictorial format, the rich and diverse history of our club for the enjoyment of members, their guests and visitors for many years to come.

Autobarn show and Shed Run

Around 15 members attended the recent shed run. It began with a display of cars at Autobarn then on to the Red Cliffs Club for lunch. After lunch we drove to Alan Long's place to view his collection. He has a large collection of Austin vehicles including a truck and Bus. He went through what work was done to restore them and his plans for future projects. Many thanks Alan for an interesting and enjoyable day. Ken Bennett.
