Presidents Report

Quote of the Month:

"The Model T blazed the way for the motor industry & started the movement for good roads everywhere. It is still the pioneer car in many parts of the world which are just beginning to be motorized."

Dear Members,

Our last event the progressive dinner was excellent and great day and great venues. I would like to thank the Eastwoods for allowing us to invade their house for the soup course, the Monks for allowing us to attend the Tafe College and have the main course in their café. Jenny for doing the desserts also at the Tafe due to the inclement weather on the day. Thanks, Russell, for arranging a tour of the Tafe College with Jack, was a great surprise and a fanatic tour.

My last event will be on the 24th of August with a short run with a quiz and you will be able to answer the questions within your car along as you have good eyesight or glasses. The venue is at the Swan Hill Club with finger food arranged for lunch and we are going to have a lot of game fun and a raffle as well. So please support my last event as President. Let our club captain know if you are attending.

This will be my last report as President in for the Manifold and I will give a small report at the AGM which will be in the Manifold as Past president of the Club.

See ya on the 24th for the run or if you can't attend ,see ya all at the AGM with our Pie, Pastie and Pizza night with apple strudel as well from 6.30pm Meeting will commence at 8pm with AGM straight after.

Happy Motoring

Motor Cycle Report

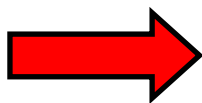

Well another month has come around already, the eighth one for the year, It's a bit like birthdays. when your born you wait your entire life for your first birthday, then wait half your life for the next, and so it goes. (time flies when your having fun).

Back to the bikes, it was a bit fresh, 2 degrees, but the fire drum was going & the heaters were on in the hall by 8.30am, most of the bikes that turned up were out there by then. Sixteen bikes and a few cars. About 20 breakies in all.

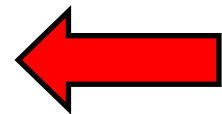

This month was the memorial ride for the bike members we have lost over the years. So after breakfast we gathered around the fire drum and Steve Jordon read out the names of the nine members that have passed, quite sad really. By the time we left Speewa for the memorial ride the weather sunny and picture perfect for this time of the year. We crossed the ferry , toured through Nyah West . Pira & Woorinen South, then on to my workshop. It was a really good day out. Next month we are going to "BECKS PLACE" on Beveridge street. (The old Chicken Nook}. No ride is organised but someone might suggest something over breakfast. And a big thank you to Viv Holland for helping cook the breakfast as we seemed to be short on for helpers.
