Dear Members,

Well, we are back from our overseas trip. Thank you, Joe Higgins, for holding the fort whilst we were away.

Nita and I had a great time on the cruise boat Budapest to Amsterdam, and the bus tour through eastern Europe Prague, Germany, Poland back to Budapest. We drove around Ireland, Scotland, and England.

We saw lots of Castles and Cathedrals and many old village squares which were amazing. Were very impressed with the quality of meals on our tour and boy can they serve a big meal in Ireland and Scotland. Beer was great tried most country beers that we travelled through.

We visited Michael Schumacher private collection in Vienna which also had all cars downstairs for sale. Mercedes Benz, Ferrari, Bentleys, Rolls Royce, and some very special vintage cars along with storage for the rich to storage their cars in the museum under lock and key. In Berlin they had a Skoda display in a large supermarket, visited Scarborough where there was a car collection along with the old-style Carousel and dodgem cars, Ghost Towns just like the old fair days. Visted the All-British Car Museum which was amazing with over 500 cars on displayed in two separated building.

Driving in Ireland, Scotland and England was great speed limit 70 mph two lane or more., single roads 60 mph didn't matter how wide or not it was amazing doing 60mph on back roads. Cruising all 75 MPH still had people flashing lights to change lanes because I was slowing them down travel at 80mph I was informed.

Saddest part of the tour was the tour of Auschwitz, If you ever have the opportunity to go there is was amazing to see what really happened during that period of world war two and the Berlin Wall. History should never be repeated.

Pushbikes in Europe every where and they had right away with pedestrians especially in Amsterdam I had to be careful there had to watch out for bikes and very nice ladies whilst we were window shopping and that was during the afternoon not at night. Both were Dangerous.

Good to be back and getting back into the swing of things with next run to Mystic Park then our next meeting the day after and our Christmas Party the following weekend. Looking forward to catching up with everyone.

Nita and I both feel in love with Ireland so laid back and amazing country.

Cheers

President David

## Motor Cycle Report for AUGUST, 2023.

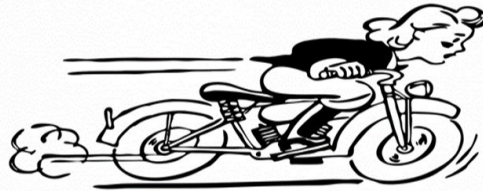

Sunday December 3<sup>rd</sup>.

Last Sunday 3<sup>rd</sup> Dec the official ride was to the Lianelly Motor Cycle Only Swap Meet ( 9kms south of Bridgewater). So with breakfast organised as was mentioned in the last Manifold, John Barry and his wife Judy, on their Honda Goldwing, Jack Scott on Honda Dominator & Dallas Williams on BMW Funduro left Pieface at 7am to arrive at the venue by 9.30am. I loaded up the ute with all sorts of British, Jappo and a few 70's Harley parts. I was down there by midday Friday as you cannot book a site, its first in best dressed. So I manages to secure my favourite site and set up camp. Nick Domaile & Graham Hopkins arrived Saturday arvo and set up their tents. Then its with stubby in hand and check out the other site holders stuff and do a bit of insider trading and talking to like minded people. Sunday trading was good although gate numbers were down probably due to harvest wash out and unsettled skies. The Bendigo Historic Motor Cycle Club do a fantastic job running the event. Friday night sausages & vegies ,Saturday night Roast with vegies followed by Dessert.

Ride Safe SWINNOW

PS. Some people don't live the dream, they only dream the dream. So get on those bikes and make it happen.

ALSO, All the best to David Scott who is still housebound with his broken leg, so get well soon, the Xmas beers are in the fridge.
