# President's Report

Hello Members,

Welcome to our December meeting, our last for 2024, how quick has this year gone....

Our new stove and rangehood have arrived and will be connected as soon as the tiling is done. We have a Dareton Men in a Shed member who has kindly offered to do that for us. Ken and I attended the Bendigo swap which was very busy on Saturday morning but eased off in the afternoon due to the weather. Sunday was also down in numbers also due to the weather. Leonie and I were able to attend the dinner by the lock on the Wednesday evening with our members and a very pleasant evening was had by all. All is in order for our Christmas party on Saturday Dec 7th at 6pm.

We are still looking for a member to be our Welfare Officer, not a hard job. To all, have a merry Christmas and festive season, travel safe and we will see you all at our first meeting in February.

Happy Motoring and all the best, Graeme

## Dinner time at Lock 11:

As Graeme mentioned in the President's report, 28 members and guests had dinner on the lawn at lock 11 recently. The weather was perfect and mossies non-existent. I got fish n chips from Pans on Walnut which were very nice, I hadn't been there before but I thought it must have been the place to go after seeing Ken and later on Veronica picking up their orders on the way to the Lock.

## **Bendigo Swap 2024**

Below is a photo of the club site at Bendigo this year. As Graeme mentioned the weather was potentially going to be hot which can make the experience a bit of a trial. I like to get to the swap each year and this year was no exception. This is how it panned out for me and my wife Jo:

I stay at Inglewood where I meet up with mates from Swan Hill then drive to Bendigo early on the Saturday. The two mates arrived at Inglewood at about 4.30pm. Jo had booked an event in Melbourne so I dropped her at the VLine station in Mildura for the Bus/Train to Melbourne, arriving at 6.05pm.

At about 5.30, Jo gets a message from Milly at home that our blind (no eyes) cat we hand raised from two days old had been frothing from the mouth.... Sounds like a snake bite. Milly and Ella take the cat to the vet while Jo, now at Southern Cross station buys a ticket for a train back to Bendigo leaving at 7pm. I meet Jo at Bendigo station at 8.45pm to drive her home. The cat is now fine but not allowed to leave the house unsupervised! So in summary, Jo's weekend event lasted 35min and never got out of the railway station and my swap meet trip consisted of two hours in the Motel at Inglewood (including a meal at the pub there) and a drive home arriving at 1.30am.

The mates went to the swap OK but hit a roo just outside Marong in his Holden Ute, a swap for him to remember as well.

Better luck next year!

George.

## Merbein South Car Show

As usual the club had a good turn out to the Merbein South car show this year. There was a great representation from many clubs around the area. It was a great atmosphere and providing you had a good hat or kept out of the sun, a pleasant day. Here are some snaps I took on the day.

Above: Where our patch started.

Right: Plenty to discuss here!

Below: More of our display.

Far Below: Ken and John looking for the horses!

Above: When the going gets tough, the tough get going..... To the nearest shady spot and I wasn't far away either.

Below: Some of the other club's displays.

Phil has very kindly offered to install both free of charge. Leonie Lyttleton moved that the Club accept the quote and get Phil Grayling to install. Seconded by Robert Rigby. Carried.
6. Rod Gleeson spoke about the British Car Club visit to Sunraysia. MVVC members were invited to join them on a boat trip up the Murray to Trentham. Five members went along. The British Car Club had planned to visit the Holden Museum. However, when the Holden Museum did not reply to emails, the visit did not go ahead. Several of our members went to the Holden Museum as it was advertised as an event. Barry Sullivan lost a Vauxhall Viva hub cap along the way. Rod asked if anyone might know where Barry could source one - suggest asking David Screaton.
7. Robert Rigby said he had met with Moose McGowan who commented about how expensive gold leaf sign writing is. Our boards are much easier as they are done in white paint.
