# President's Report

Hi Members,

PIZZA night 6 - 7.30 pm

The events committee put on a pizza tea before the meeting, it was a huge success with members expressing the enjoyment and companionship that this event had. We had a total of 80 members that were able to take the time to mix and spread themselves around, a great morale booster for the club.

The AGM was held with the election of office bearers for the coming year, the events committee gained some more members to help out with future outings, the remainder of the officer bearers was re elected to the same positions.

The passing of our Life Member Kevin Telford , we enjoyed the presence of Kevin at the AGM where he was honored for his outstanding service to our Club. He was a dedicated and proud member that was always a part of all activities and events, he will be sadly missed. There was a good turnout of members at the Gol Gol cemetery for Kevin with Leonie and Jenny providing excellent catering at the club rooms after the service. Our thoughts are with Kevin's family at this time.

Regards Don

### **IMPORTANT NEWS**

Current CPS renewals that are being sent out have the expiry date on the sticker of 2023. This should be 2024.

If you require further clarification you can contact Ken Andrews, Permit Scheme Officer.

Vic Roads have said:

"VicRoads are aware that a small number of club permit holders have received an incorrect club permit renewal notice, reflecting incorrectly a 2023 expiry. This error impacted renewals with an expiry between 1 and 25 July 2024. Impacted customers are still able to use this notice for payment of their club permit. Once paid, VicRoads will issue the correct label for your vehicle and logbook. **VicRoads will be writing to impacted customers and will be re-issuing renewal notices with the correct dates.**"

Thanks  
Neil Athorn  
Federation President

### **Important for Members with NSW registered vehicles.**

The paperwork for NSW club registration can only be signed by the club members authorised by the NSW authorities

These members are Bob Jones and Robert Rigby.

Please do not get your paperwork signed by those not authorised to do so.

## Kevin Telford

The passing of Kevin Telford will leave a large gap in the membership of our club. It will be said by some that “He was a good bloke”, but in this case, “good bloke” is totally inadequate!

Kevin along with his wife Nola, joined the club in 1974, and it wasn't long before he was involved in all the activities available, including the Rally Committee in 1977, '79, and '81. In 1977 he was a committeeman, Events Director in 1986, and took part in the 3-state border run in 1991. There was probably not a working bee that he did not attend and we all know that you couldn't turn up at a meeting or run without him chasing you up for a signature on the attendance sheet.

Life membership was bestowed on Kevin at the 2004 AGM, “honouring his long-time membership & tireless work”. Of course, during this time he was backed up by Nola, always together.

An early Ford Prefect, vintage Rugby, 1948 Citroen Light 15, 1937 Chev sedan and the HG Holden were some of the cars that Kevin owned & used over his 49 years of membership.

People like Kevin are rare these days, and under “Clubman” in the dictionary, there should be a photo of Kevin Telford, as he was the epitome of what a clubman should be.

Our condolences to daughters Heather & Colleen. We will all miss him.

## The Vanilla Slice run to Merbein

What a great reason to take your car out and go for a drive to Merbein. It looks like quite a few of our members did just that! The following are photos sent to the editor from the day.

113,597 DOCTORS FROM COAST TO COAST WERE ASKED!

Family doctors, surgeons, nose and throat specialists... doctors in every branch of medicine were asked: "What cigarette do you smoke?"

Three nationally known independent research groups did the asking.

The answers came in by the thousands. Actual statements from doctors themselves. Figures were checked and re-checked! The results? Camels... convincingly!

According to this recent Nationwide survey:

# MORE DOCTORS SMOKE CAMELS THAN ANY OTHER CIGARETTE!

This is no casual claim. It's an actual fact. Based on the statements of doctors themselves to three nationally known independent research organizations.

THE QUESTION was very simple. One that you...any smoker...might ask a doctor: "What cigarette do you smoke, Doctor?"

After all, doctors are human too. Like you, they smoke for pleasure. Their taste, like yours, enjoys the pleasing flavor of costlier tobaccos. Their throats too appreciate a cool mildness.

And more doctors named Camels than any other cigarette!

If you are a Camel smoker, this preference for Camels among physicians and surgeons will not surprise you. But

**CAMEL—COSTLIER TOBACCOS**

if you are not now smoking Camels, try them." Compare them in your "T-Zone."

### THE "T-ZONE" TEST WILL TELL YOU

The "T-Zone"—T for taste and T for throat—is your own proving ground for any cigarette. Only your taste and throat can decide which cigarette tastes best to you...how it affects your throat. On the experience of many millions of smokers, we believe Camels will suit your "T-Zone" to a "T."

R. J. Reynolds Tobacco Co., Winston-Salem, N. C.

This is an interesting take on how the world works and why you need to critically think about what is being put in front of you. This ad masquerading as an article indicates to you that if doctors smoke Camels, they must be safe. Even though this came from the 1950's, nothing much has changed nowadays. The method of communicating the "message" has been updated though.

## Saturday at Wentworth show

The weather was perfect for the Wentworth show this year. We assembled at the parking area in Curlwaa and headed off as a convoy to the showgrounds, taking a different route this year that avoided the “bottle neck” turning right just after crossing Tuckers Creek. There was a large number of cars on display this year from the American Car Club, the Utes and Vans as well as 25 or so from our club. The show was up to the usual standard I thought although there were fewer ducks and chooks on display. The food available was varied and tasty and the “hardware” seller near the Marquee on the oval was able to supply me with my annual supply of angle grinder discs, air hose fittings and many other consumable nick-nacks. As Milly and I were packing up at the end of the day an official looking party from the show committee sidled up and presented me with an envelope with “Best vintage car at the show” prize, a very pleasant and unexpected surprise to finish the day off. Ed.

### **CONSTITUTION - AGM and General Meeting 4th August 2023**

The President proposed the changes to the Constitution detailed at the last monthly meeting. There were objections from Robert Rigby, Brent Gowers and Michael Keenan, who regarded the whole Constitution as outdated and in need of update. They said a Sub Committee was needed to review Victorian and New South Wales regulations at a special meeting. A motion to form a Sub Committee was proposed by Robert Rigby, seconded by John Sutcliffe and carried by a show of hands.

Sub Committee members: Robert Rigby, Brent Gowers, Carolyn Gowers, Phil Roeszler, Gerry East, Royston Lloyd, Bob Jones, Michael Keenan, Don Carr.

A meeting of the Sub Committee will be organised to discuss the Constitution at a later date.
