President's Report

Well another year is coming to a close. On behalf of the committee and myself I would like to wish everyone a safe and happy Christmas and new year.

As a club we have achieved quite a bit this year, with the toilets being renovated in the shed as well as the meeting room being enlarged and clad etc.

The new year brings us to the heritage display in February. I would like to encourage as many of the club members as possible to attend. The grounds are looking great with the freshly sown seed springing up nicely and thanks to those who maintain it.

We have had a decline in those attending club events and runs since Covid and would like some suggestions on how to remedy that. We need some fresh ideas on where to go with club runs etc.

Lastly, I would like to thank the building guys, led by Jesse, who have done so much to make our surrounds so much better at the shed.

Wishing all a happy Christmas and new year,

President Ross
