Presidents Report

Quote of the Month:

Relationships, like cars, should undergo regular services to make sure they are still road-worthy.

Dear Members,

Well the year has started of well with our events being supported by you, the great members of our club. Hope to see more out and about. There seems to be many events are coming back since Covid so please present your vehicle at some of these events around our district. Keep an eye out for the flyers in our Manifold.

February 19th we are having a Fish and Chip night at Lake Boga so come along and have a chat with fellow members and do not forget we will be stopping in Boga on the way to the Lavender Farm at Tresco to order our Fish and Chips from the Lake Boga Newsagency mixed Business. We will visit the farm then come back to Boga for Fish and Chips by the lake. More info in Manifold.

I would like to Thank Julie Sutton for helping our Club Captain whilst she was away in January. Its great we have fellow members who help when needed.

The Rally is moving along well with some great sponsors helping our club out. Entries are coming in slowly so don't forget to get you entry in and support this great event.

Just a quick up date on my health. Things are doing well with some of the cancer has shrunk and disappeared in my scan and my Oncologist has added another year to my life which is a good outcome.

Hope to see lots of members at our next event it not a big amount of travel some get the old vehicles out or your old old vehicle that include cars and motorcycles and a join in some fellowship along the lake whilst we enjoy the Fish and Chips.

Cheers

President David

General Business:

President David thanked those who helped with the Christmas Party and Di for her music.

5th Dec David attended the Swan Hill Rural City Councils reception to thank all those service clubs who had made the Australia Day Breakfast such a success over many years as it is not continueing in that format anymore.

The meeting raffles have changed a bit we now will have a pack & vouchers from the Fruit & Vegie Pantry and the Regional Butchers.

We spoke about the reforming of the swap meet but considering all the work and regulations that have to go into it there was not much interest shown.

No window exhibition will be available for the Golden Rally as the Information Centre are moving to a new tempory building.

Lindsay Swinnerton brought in Commemorative number plates belonging to a friend to show the members.
