## Presidents Report

Ho ho ho ! the festive season is sneaking up on us fast, it is a busy time for us all to spend with our families and friends. So this brings me to reminding all to check the what's on in the Casternotes to ensure you don't miss any of the festivities we have in store.

The tractor trek is this weekend and by all reports Gerard and his crew have organised what appears to be a great adventure for us all, and with the number of entries that have already booked in, all makes for a very successful event. It would be great to see everyone at our Christmas lunch at Digby. Get your club cars out and let the public enjoy your pride and joy, you know the biggest downfall of an old vehicle is not to use it. Our last club meeting at our shed was a huge success, the nice day and lovely lunch brought out some old faces which were lovely to catch up with. The meeting ran pretty smoothly, just some organisation of upcoming events and the normal club business. We have pretty much locked in next years long weekend events, just some fine tuning on food and general housekeeping. Thanks to Irene, our ideas guru for her work on this project so far. Thank you to those who organised and prepared lunch at the last meeting super job those responsible.

Well that's it see you on the tractor trek

C M E. C. President. Gavin. Lowe
