President's Report

Welcome Members,

Here we are June already this year has been so busy it's flying by. Ken and I travelled to Woorinen South to the Federation meeting hosted by Mallee Steam Oil Machinery Club, their clubrooms are an old scout hall and oval owned by the council. They hold a steam rally here every year in early April. While at the meeting we were approached by guests who attended our MVVC easter rally who complimented us on what a well organised and extremely enjoyable fun rally we presented and are looking forward to the next in 2027. Now is the time for our members to think about events for the next rally and also consider being on the next committee. The main topic of the meeting was the Bendigo swap which will be run by the Bendigo Car Club until 2026, and Fed have a further 5 yr contract and will be looking to get other clubs involved to keep the swap running. They are again asking for volunteers to man the gates you get a swap badge, meal voucher and free entry to the swap, your club will receive \$20 per 2hr shift either day 15th and 16th November. The 2025 Federation Open Tour is on 3rd August and is starting from Kerang. Alan is very happy as some of the new shelving has been installed in the library and is looking very neat. Thanks to Jeff Beechey and Alan Hassett for their help. I have on good authority been told that the run to Werrimull was very well attended and the meals were delicious. I have been told Jan is on the mend again and wish her well. Also Rex Stone has been unwell but getting better now, our thoughts are also with Rex and Joan on the sad loss of their son.

Happy Motoring

To the Werrimull Pub for lunch.

A healthy roll out of about 35 members assembled at Big Lizzie in Red Cliffs for morning tea prior to heading Werrimull direction for lunch. The weather was fine and sunny. I found the food to be excellent and very good value. Where else could you get a veal schnitzel for \$15 (that was the daily special)

Top: Assembling at Big Lizzie. See the front page pic as well.

Bottom: Parked at Werrimull.

Above: Dining at Werrimull

The Morrisons gave me these photos of a Grey Fergie Rally at Wentworth in 2006. It looked like there were many tractors attending and they also came in many different shapes.

Above: An easy way to move multiple tractors. Most tractors now wouldn't fit cross ways on a truck.

Above: Looked like a pretty standard set up until I noticed what was sticking outside the bonnet.

Left: Not sure if this engine would be an upgrade or a downgrade!

Below: A weird and wonderful contraption but probably did OK at moving dirt.

Several letters of thanks have been received. We thank all our wonderful sponsors which enable us to have so many wonderful raffle prizes and prizes for winning cars. Lots of people dressed up this year which was great and also lots of innovative Easter Bonnets. Thanks to all those who supported Leonie with donations of cakes, slices etc. Also thanks to those members who helped with marshalling. Don't like to name specific people but a special thanks to Alan Newton who came to help marshal on both days even though he was not an entrant. 2. Rally Certificates of Appreciation were handed out to sponsors present at the meeting.
3. Graeme Skinner informed members that the new shelving for the library was purchased from the old chemist in Dareton for \$200. A foot plate will be put down before the shelving is installed.
4. Graeme Skinner spoke about the Quadricycles that were on display at the Buronga Wetlands for the Easter Rally. There is a story on the wall in the club rooms about them.
5. Phil Roeszler said the Holden Museum will be holding the 'Coffee And Cars' on the last Sunday of each month. It had been held at Nitro Golf but other traders complained.
6. Milly Conner has submitted her application to the Club for the Robert Shannon Foundation which supports young people, up to the age of 30, in the restoration of vehicles. The Club has attached supporting documentation and has forwarded the application to Federation who will then forward it on to the Foundation. Milly will not hear the result until September.
7. Daryl Beasy informed members that Lowes have maroon shirts (our Club colours) with double pockets. This colour can be hard to find unless you are in Queensland due to the Maroons Rugby team.
8. John Biggs won a raffle prize in the Easter Rally but was not present to collect his prize. Graeme handed the prize to John.
9. Leonie Lyttleton has two lots of 1kg bacon left over from the rally for \$10 each.

The raffle was drawn by Graeme Skinner.

Meeting was closed at 8.08pm followed by supper.

If any member past or present has any old photos of club runs, vehicles or members, please let me know. We are looking for photos of interest mainly prior to 2001

There is one requirement though!

I need to know (roughly) when and where the photo was taken, and who is in it. If it is a photo of a vehicle, we need to know which club member owned it.

If you bring your photos to a club meeting, I can copy them there and then and you can take your photo home with you. (I do not need to keep it) or I will accept scanned copies via email provided the required information is attached.

The Photographic history of our club will continue to evolve over time and will be on display at club functions and gatherings where and when convenient.

The purpose of the collection is to display, in a pictorial format, the rich and diverse history of our club for the enjoyment of members, their guests and visitors for many years to come.
