President's Report

Hello Members

While we were away there was 2 years worth of rain in Sunraysia in a very short time and plenty still laying around when we arrived home, not good for the blockies but the dryland farmers would have loved it.

We did a house sit in Port August so that was central and allowed us to do day trips. We went to Whyalla known as steel city and visited the maritime museum but unfortunately didn't get to tour the HMAS Whyalla, and Laura homestead Museum both were very interesting places. we went to Quorn and did a trip on the Sundowner diesel train to woolshed flat and back. We went to the Port Pirie to visit the STORIES FROM THE ROAD MUSEUM amazing place with an abundance of trucking history. If anyone is ever over that way these places are well worth a visit.

I have been told the Culluleraine campout was well attended, and thank you to the events committee. Easter is just around the corner and we have the power sports weekend if you want to display your car you should have been in touch with Royston by now. Good Friday is the first Friday for the month so don't forget the meeting has been changed to the 10th. Thanks to Trevor for chairing the meeting I believe all went well. More people are needed for the easter rally committee we have 2 but 3 or 4 more would be great.

HAPPY MOTORING Graeme.

Modern Commerce (and computer systems)....

I have recently become a buyer from Temu, I can't believe how lucky I am to get all those freebies (providing I buy lots of stuff)!!! However I am even more amazed at how air freight has improved as seen in this screen shot of my parcel tracking. You can see the parcel departed HK on March 21st at 11.47am and arrived at Melb airport on March 25th at 9.56pm. That's a long time to be up in the air!! Also of note is that it loitered at Ferntree Gully on the way.

RURAL LIFE MUSEUM

ROBINVALE

On Sunday the 15th of February 2026 we saw the start of what was going to be another very warm and sunny day. Thirty eight club members, partners and visitors gathered at the club rooms, as organised. At about 10.00 am we headed off to Robinvale. Some members drove modern cars, some drove their classics with the windows down, and a couple of our members decided that it was a perfect day to put the top of their convertible down and get a little sunshine. We arrived at 11.00 am to a very cool, neat and very well stocked display of everything old and rural. All manner of items were on display from Lanz Bulldog tractors to Hurricane lanterns to Horse Collars and Blacksmith tools. Well presented displays and very helpful volunteers, made it a very enjoyable experience.

At about midday we made our way back over the river, and on to the Euston Club for lunch. Following lunch and a chat with other club members, we headed for home. Another great day and wonderful attraction. Well worth the drive! Thanks to Royston and Jenny Lloyd for organising the day.

Nursery Tour to Colignan

34 Members, including 3 visitors (18 cars) made the trip to Tumut Grove Citrus Nursery at Colignan. Host Heather gave a most informative tour of her work domain. We toured the various propagating areas, Heather comprehensively explaining propagating "root stock" from seed and reasons for variety choice followed by methods of "budding". Bud wood is collected from citrus varieties mostly within the farm. After the tour was completed we then proceeded to the Nangiloc Tavern for lunch. Special thanks to Heather Turner for sharing her knowledge of propagating citrus and district roads.

PowerSports Display on Good Friday

Various members have sent in photos from the display in the Mall on good Friday. I was away but would be interested to know how busy it was, has the hysteria regarding fuel had an impact?

If any member past or present has any old photos of club runs, vehicles or members, please let me know. We are looking for photos of interest mainly prior to 2001

There is one requirement though!

I need to know (roughly) when and where the photo was taken, and who is in it. If it is a photo of a vehicle, we need to know which club member owned it.

If you bring your photos to a club meeting, I can copy them there and then and you can take your photo home with you. (I do not need to keep it) or I will accept scanned copies via email provided the required information is attached.

The Photographic history of our club will continue to evolve over time and will be on display at club functions and gatherings where and when convenient.

The purpose of the collection is to display, in a pictorial format, the rich and diverse history of our club for the enjoyment of members, their guests and visitors for many years to come.
