Hi everyone,

I would like to start this month by thanking Colin Brown for conducting our January meeting. I am sure he did a fantastic job.

Sadly, as I am sure most of you are aware, Ralph Steains passed away recently. Ralph was a very keen member of our club, attending many outings and events including our December meeting.

On behalf of myself, the committee and our members, I would like to extend our sincerest condolences to Julie and her family.

Our annual picnic at Lake Charm will not be going ahead this year as Frank is unwell at the moment.

On behalf of our members I would like to thank Frank and Di for their fantastic hospitality over many years. Hopefully Frank is feeling better soon.

We have three major events coming up in the not too distant future, with the Kerang Show & Shine on April 13th and 14th starting with the cruise night on the Saturday evening, followed by a BBQ and entertainment and the Show and Shine on Sunday.

Holden's of all shapes, sizes and years will be the feature car of this year.

On April 19th 20th and 21st we have our weekend trip to Healesville. Thanks again to Marge Charleson for all of her hard work putting this trip together for us.

If you have put your name down but not yet paid for your tickets for Puffing Billy, please pay Dianne Moon ASAP.

On May 13th and 14th we have the Federation picnic at the Murrabit Market Site.

Please support all of these events if you can.

As we have mentioned in the last two newsletters, we will be needing three new members to join our committee at the June elections. If you think you might have something to offer, now is the time to put your hand up.

The latest wave of Covid seems to be very contagious, so if you have any symptoms please stay away from meetings and events as many members (like myself) with a bit of age on us, seem to suffer the most and we don't need any events turning into super spreaders.

Cheers,
Serge.

Centre State Swap Show and Shine.

It was a perfect day for a wander around the swap and to admirer some cars, there were a few bargains to be had as I spotted several members with items to take home.

"You'll have to get behind me and push."

A local priest and a pastor were fishing on the side of the road.

They thoughtfully made a sign saying "The End is Near! Turn yourself around now before it's too late!" and showed it to each passing car.

One driver who drove by didn't appreciate the sign and shouted at them, "Leave us alone, you religious nuts!"

All of a sudden they heard a big splash, looked at each other, and the priest said to the pastor, "You think maybe we should have just said "Bridge Out" instead?"
