Dear Members,

Dear Members hope you all had a great long weekend and hopefully a few members attended the Big Splash and endured the heat. The 16th of March we are attending Boga again and are supporting the Daimler Lanchester Club meeting at the Railways Car Park 8.45 am to leave at 9am and meet them at 9.30am and Lions are doing catering and will be at our own cost.

Thanks to all who provide salad and dessert for our February meeting and was a good night and many members attended.

We are having the Austin Seven Club of Victoria and the South Australia Austin Seven Club coming to Swan Hill for a Rally on the Friday 13th and leaving on the 16th and we will be looking at a few helpers for catering on the Friday Night and Monday Breakfast. They have offered if any one in our club who have an Austin Seven can join them if they would like. They will be sending us some more information when finalised the rally.

The Club captains have been busy organising the Weekend away in Deni in May and each member who attending will received a copy of the itinerary personally. We will be leaving Swan Hill on the Friday at 8.30 am to start the weekend.

We are in talks possibly getting together with Mallee Cruisers at going to Quambatook for our April Run more information will be in March Manifold.

Cheers President David

Motor Cycle Report

On March 3rd club members visited Cordina:s Theme Park for brekky(brunch) for a traditional Aus-sie brekky. Bacon, Egg, Sausage & Tomato breakfast which was organized by Swinnow. There was a good roll up with 16 bikes & 7 cars ,30 or so members as there was 35 breakfasts served. The hosts did a great job with the cooking & tea & coffee. Members had a good look around the display of collectables and hung around chatting for a while. The collection is something different but well worth a look if you get the chance to go out there. The home made Ferris wheel was interesting as was the 2 walls of Black Douglas Whisky bottles. { a few good times/ headaches) had there.

Oldest Holden museum in Australia to close in April

The National Holden Motor Museum – which claims to be the longest continuously-running museum in Australia dedicated to a single car manufacturer in Victoria – will close in April 2024. Opened in 1984, the museum was first located in Bayswater before moving to Echuca in 1993.

Owners Tony and Mark Galea said there haven't been any serious buyers, so they will close on 14 April. Most of the vehicles on display are on loan: the remainder will be sold via Burns & Co. in an upcoming auction.
