John Goddard suggested that the people who volunteered on the gate at the Bendigo Swap should get their subs paid for, as the club gets money for the help.

Club Captains Report: The next run was changed to the Swan Hill Show and Shine on the 23/11/2025.

Australian Historic Motoring Federation Inc. (AHMF) is the national peak body for all historic motoring in Australia. AHMF is a federation of most state & territory based motoring councils. These councils represent 1000+ historic motoring clubs and close to 100,000 motoring enthusiasts across Australia.

AHMF aims to provide representation for the Historic Vehicle Movement on a national basis to government departments, Australian organisations & business, and internationally to other national historic motoring bodies.

The Role of AHMF

- To promote and support those organisations whose aims are the preservation, restoration and use of the Veteran, Vintage, Post Vintage, and Historic 50's, Historic 60's etc. Vehicles.
- To promote and support the preservation of items associated with historic vehicles and machinery.
- To collect and disseminate, wherever practicable, information deemed to be to the benefit of the Historic Vehicle Movement

- To encourage liaison, communication and co-operation between members.
- To liaise with any organisation with similar aims to this Federation.
- To represent our member organisations in national negotiations with Government agencies and other organisations.
- To act on the recommendation of a majority of members in any matter wherein benefit to members, or the movement generally, will result.
- To encourage and promote the use of all Veteran, Vintage, Post Vintage, and Historic 50's, 60's etc.

The Christmas dinner held at the Barham Club which was well attended with around 45 members turning up, we picked a busy night to go but we had a designated area which was well organized.

Swan Hill Show and Shine.

The Swan Hill Show and Shine was well attended, with a great venue and a perfect day for a drive and to show off our cars.

They had various types of vehicles and motor bikes aging from Vintage to Modern.

The raffle had several Kerang members winning prizes and the major prize was won by Olivia Spark which was a Car fridge.

An award was handed out on the Christmas dinner night for the Quiet Achiever, which was awarded to John Rumbold for all his work done behind the scenes.

Bendigo Swap 2025.

The Bendigo Swap was held once again with a shower on the Friday night, just enough to settle the dust.

There were good crowds on the Saturday with great weather and sales were up with people digging deep.

Sunday looked quiet but sales picked up and so did the crowds.

There were some areas under construction with more sheds getting put up, so I don't know what happened to the stall holders that were there.
