There I was sitting at the bar staring at my drink when a large, trouble making biker steps up next to me, grabs my drink and gulps it down in one swig. "Well, watcha' gonna do about it?", he says menacingly, as I burst into tears.

"This is the worst day in my life!" I say. "I'm a complete failure. I was late to a meeting today and my boss fired me. When I went to the parking lot, I found my car had been stolen and I don't have any insurance. Then I left my wallet in the cab I took home. When I got there I found my wife with another man and the dog bit me."

"So, I came to this bar to work up the courage to end it all, I buy a drink, I drop a capsule in and I sit here watching the poison dissolve; then you show up and drink the whole thing! But enough about me, how's your day going?"

I am honoured to be in a position to congratulate and thank you Phil and your above-mentioned team that showed extreme dedication, hard work and, loyalty toward our WWVVMC, Riverina, and people from all over this country that attended the 2023 June long weekend car rally.

During the rally and still days later I am receiving very positive feedback in reference to how helpful you all were, the fantastic venue, professionalism on how the rally was conducted, loyalty, the friendship people made with others they have not met before and, families from across the country that came together.
