Motor Cycle Report

We attended the Speewa Heritage Rally which was a great success. Plenty of exhibitors made the effort to display their wares. Our members turned up & put on a good display, with 18 bikes on show. European Bikes were the featured brand with the Ducati's being the standout. There was also many cars & trucks on display.

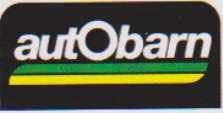

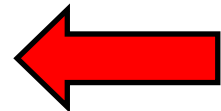

Our breakfast this month was at Beck's place which was very enjoyable for the few (5) that made the effort to attend. Very disappointing when these outings are organised & the members don't show their support. I know the road was wet but there was minimal rain.
