## Presidents Report

### Quote of the Month:

A car is just a car,  
but a Model A  
Ford is an adven-

Dear Members,

Our Mallee Gold Rally has been completed and was very successful. More about this Rally Next Month. Thanks to the Committee for all the hard work putting the Rally Together.

The run to Boort last Month was a great day and then to go onto see the Spanners mans display was great. And one good thing his son is tacking over and is going to keep allowing the public to attend.

We had 3 cars for Anzac Day parade, and I had one Passenger names Doug who came along in the Model A Ford. As we were going down the street parade, he said why is everyone clapping. I said you were a digger, and they are paying you respect, and he then said he never had the clap before. I think he might have been talking about a different type of clap, I think.

We have a few local runs coming up in June and July so please support our runs and support the motorcycle breakfast each month as well.

Finally, I have decided to hold a Presidents lunch on the 27<sup>th</sup> of August over at Murray Downs for a Lunch and I decide to support them this year as they kindly donated a large sum of Money for our Mallee Gold Rally and I want to show our support for their club. The cost of the Day is \$10 to members and having it in the Balcony area we have restricted numbers so first in first served. This will be my last event as President as you all know I won't be going on as President next year one of you members will be President. Five years is a long time as President, and I want to travel as my time is short and I want to enjoy the time I have left.

Don't forget the AGM is on the 28<sup>th</sup> of August and there will positions available for all members if you wish to be involved in running this great club we have in Swan Hill. The committee you have had all have been in their position for five years, so I think I won't be the only one finishing up this year. Get involved its good to be involved in the committee and we all work as a team to make our club successful. Put your hand up.

Cheers

President David
