## Motor Cycle Report

The Jack Sullivan Memorial ride organized by Eddy Parker on Sunday 21st of January, 6 riders and the occupant's of a couple of nice Holdens lined up at the United service station. After a bit of a chin wag the crew led by Eddy proceeded to reenact one of Jack's favourite rides around Pental Island. After circumnavigating the island we headed for the Lake Boga Pub where we joined in on the Park and Brag which is on the third Sunday of every month and checked out the vehicles on display.

John Barry

On Sunday 4th a breakfast was organized at short notice at the Paragon at the Pioneer Settlement. It was well attended despite the short notice with 22 bikes turning up. The members enjoyed a hearty breakfast going by the spread Dallas attempting to put away. Good effort if he managed to get thru it all.

### Oldest Holden museum in Australia to close in April

The National Holden Motor Museum – which claims to be the longest continuously-running museum in Australia dedicated to a single car manufacturer in Victoria – will close in April 2024. Opened in 1984, the museum was first located in Bayswater before moving to Echuca in 1993.

Owners Tony and Mark Galea said there haven't been any serious buyers, so they will close on 14 April. Most of the vehicles on display are on loan: the remainder will be sold via Burns & Co. in an upcoming auction.

Please ensure that you include a stamped self-addressed envelope so that the renewal can be returned to you straight away. **DO NOT SEND** your Club Permit book or money. Payments are to be made by the owner at Vic Roads

The mailing address is: Permit Scheme Officer
