May Newsletter:

Please note that the May newsletter will **not be sent out until later in the month** as I will be travelling for a few weeks with limited internet coverage and no access to my computer. If reports and articles can be emailed to corowacapersnewsletter@gmail.com in my absence it would be greatly appreciated.

Thanks,
Robyn

Billycart Races:

For all members intending on bringing Bikes and Cars to the Billy Cart championship on Saturday 19 April.

Please meet at the bottom roundabout at 7.30 am.

The whole of the bottom end of Sanger Street will be a pedestrian area, so it is important that all vehicles are parked early for the safety of pedestrians.

Racing should be finished by 1 pm. Sanger Street will remain closed to normal traffic for a couple of hours after racing is finished to allow for clean-up.

Please contact Todd Letchford if any questions.

National Fly In:

A big thanks to members for bringing their cars to the National Fly In at the Corowa Airport on Saturday 12 April. We were joined by the Corowa Historic Vehicle & Machinery Club as well.

It was a great turnout, and the weather was just perfect for being up in the air or on the ground! The club was invited to go on a tour of the tarmac to view the aircraft and join in with the Fly In Members. Being a closed event it allowed for the public to have something to look at when coming out to the airport so great job to all who showed up!

We look forward to the Fly In returning next year for another great weekend of vintage planes and cars.

Thanks to Todd and crew for putting together the logistics!

Car Show 'n Shine Update:

The first meeting of the Car & Bike Show 'n Shine Committee has been held.

Preparations are now in place to get the application permit arranged with council and lock in suppliers and entertainment. As soon as our advertising Poster has been agreed on, we will start promoting the date and get the information out to surrounding Facebook pages and club show websites.

We had a great turnout last year and hope for an even better one this year. We'll be calling for help from volunteers closer to the date so if you'd like to get involved get in touch with Brad Moore or Chris Johnston and they can take down your details. We have lots of jobs on the day – gatekeeper, parking officials, and the most important job – bathroom maintenance! All help gratefully accepted.

One of the Committee will update members at the next club meeting on confirmation of date and progress so far.

Car & Bike Show n' Shine coming to
Corowa this September!

Watch this space for more info!

If you want to volunteer to help on
the day, get in touch with our
committee.

Elizabeth has kindly 'opened up' her magnificent garden to raise funds for the Burrumbuttock 150th Celebration weekend in October this year. Elizabeth would love to see your vehicles displayed at the event whilst enjoying a relaxing stroll around the gardens, nibbling on some food and drink which can be purchased from the bar along and a delicious, boxed lunch or a sausage from the barbecue. Then sit and enjoy a two-hour concert from a live band playing favourite Rock and Roll songs from the Sixties and Seventies. This is a great way to enjoy a relaxed and informal family day, with all proceeds going towards the Burrumbuttock 150th Celebration weekend in October.
