Presidents Report

Quote of the Month:

Ford's Quotes About the Automobile
"You can have it in any colour you want, as long as it is black."
"I will build a car for the great multitude."
"If I had asked people what they wanted, they would have said faster horses."

Dear Members,

Our Mallee Gold Rally has been completed and was very successful. I would like to thank our hard-working committee for all their work for the last 14 Months and thanks them for their great support during this time and great support over the weekend. We are please to have raised \$6000 for the Swan Hill District Health towards a Dialysis Chair for the Kidney department. I would like to thank Joe for suggesting this to the committee and having the local business supporting us for the good and service auction was a credit for us to have a charity to raise money and I feel this helped with our sponsors for the great donated products we were able to auction off on the night. We have only had a good response from entrants to say they enjoyed their time and were very impressed with all the meals and the hospitality over the weekend and the great venues we visited. All entrants were sent a few Pdf files of photos that were tacking over the weekend. My enjoyable part was having my phone going of with photos from the fun photo competition we had over the weekend. The entrants got right into the fun.

Our next run will be to Nyah at the recreation reserve and will be having the BBQ Trailer they're for you to cook your own lunch, bring a Chair, Food and what you wish to drink. And lets just have a time jus to relax and have a chat.

The run in July is a Mystery Tour Park and Drive of Swan Hill, arranged by your President and we will be ending up at a secret venue for lunch. This venue will be a fantastic spot not to miss. The BBQ Trailer will be there, and the club will provide Sausages and Hamburgers and Bread you can bring your own salad to go with the meat. BYO Chair and Drinks and this will be a great event and I can assure you this venue we finally arrive at is a great secret spot worth seeing for the first time as members of our club.

Finally, I have decided to hold a Presidents lunch on the 27th of August over at Murray Downs for a Lunch and I decide to support them this year as they kindly donated a large sum of Money for our Mallee Gold Rally and I want to show our support for their club. The cost of the Day is \$10 to members and having it in the Balcony area we have restricted numbers so first in first served. This will be my last event as President as you all know I won't be going on as President next year one of you members will be President. Five years is a long time as President, and I want to travel as my time is short and I want to enjoy the time I have left. I will not be in Australia just after the AGM as my oncol-ogist has said I am allowed to travel oversea so Nita and I will not be in Australia from 2nd September to the 4th of November.

** continued **

PRESIDENTS REPORT c'td

Don't forget the AGM is on the 28th of August and there will positions available for all members if you wish to be involved in running this great club we have in Swan Hill. The committee you have had all have been in their position for five years, so I think I won't be the only one finishing up this year. Get involved its good to be involved in the committee and we all work as a team to make our club successful. Put your hand up. It a great club and it can only get better with new blood on the committee.

Cheers
David

PERMIT RENEWALS

There are only two ways to have your Club Permits renewed.

Bring your Club Permit renewal and your completed safety check sheet to the monthly meeting. Hand it into the permit officer who will sign and stamp it to have ready to collect at the end of the meeting.

Mail your Club Permit renewal along with your signed and completed safety check sheet. Please ensure that you include a stamped self-addressed envelope so that the renewal can be returned to you straight away. **DO NOT SEND** your Club Permit book or money. Payments are to be made by the owner at Vic Roads

The mailing address is: Permit Scheme Officer
Swan Hill Vintage & Classic Vehicle Club
PO Box 133
Swan Hill, Victoria, 3585.

Always ensure that there is a completed safety check form for each renewal. These forms are available on our website under members section, www.shvcvc.com.au or in our Manifold. The club's Post Office box is cleared every day, and the renewals are returned in the post the next day.

Remember that if your renewal is overdue Vic Roads will not re-register your vehicle and you will have to complete a roadworthy to re-register your vehicle. So when you get your renewal get it proceeded straight away and then you have it ready to pay the renewal when its due.

Club Fee's - Joining Fee \$100 Yearly \$60 Family \$30 Single.

Meet and Greet on Friday night was appreciated by the Visitors with great food [thanks to Members for helping with this] The big raffle with lots of prizes was well received.

Saturday saw us travel to Moulamein for a full day checking out the Juraly woolshed and all there other buildings, much has been achieved in a short time, We checked out the Moolamoon shearing shed thanks to Graeme Nalder for his talk on the history of this building,

Thanks to the Ladies for the great morning tea and lunch which was enjoyed by us all, then back to Swan Hill to the Pioneer Settlement for the Heart of the Murray Show which was enjoyed by us all even though it was a bit chilly.

Sunday we headed to SeaLake with morning tea at the Silo's thanks to Jenny, Marie, Max & Kyle, then on to Auchmore at Nullawil to have a look at their Village . The Ladies there outdid themselves with the delicious lunch. Sunday night we had the Dinner at the HUB and Auction. The auction was outstanding raising \$4800 to our fund for the Dialyss Chair at Swan Hill District Health. Thanks to Nita for wandering around during the night with her bucket and getting another \$300.

Monday we travelled to the Nyah Hall for a Pancake Breakfast then on to see the Tractor display at Nyah. Lunch was at the HUB were some worthy prizes were handed out and we farewelled our guests and look forward to seeing them in another 5 Years

David is going to McKillop College on Friday to present goodie bags to the 2 Girls who did our Designs for the Rally.

THINKING of BUYING an EV – ELECTRIC VEHICLE

When discussing my options with a friend recently re buying a new Vehicle, he suggested it not be one of the EV's (Electric) because of an experience with his, which proved there are too many variables affecting battery consumption, and definitely not suited for cold climates, so his following experience soon convinced me to eliminate Electric from my options.

Convinced he had plenty of Battery life to get him and his family to Melbourne and back, they suddenly found themselves rolling to a stop on the side of the Road where he had to call for assistance.

Dead Battery – Driver's Door open but no other doors would open because the battery is dead and nor could they be opened from the outside. When assistance arrived he could not give any info because it was in the Glove Box which only opens electronically ... and the battery is dead.

After waiting over an hour for the assistance to arrive – no jump start was possible and the vehicle had to be taken on a Flatbed to the nearest Charging Station which was over 40 Kms away.

When at the Supercharger Station - Guess what - Can't open the charging port because the battery is dead and the port opens electronically. And not the Drivers door either which had to be closed when it was loaded onto the Flatbed.

The owner's manual was in the on-board computer, but the battery is dead.

It was late afternoon when he finally got the family to a store where they were warm while he called the Dealership who suggested he hire a Rental Car because they couldn't pick his vehicle up until the following morning.

EV 'S may be the way someday, but not today, I guess I will stick to my Diesel for now.

True Story

Motor Cycle Report for June, 2023.

This month we feature Swinno on the couch with reporter Clark Kent, aka Superman.

“So Swinno, tell us what happened at the June BB aka the Biker Breakfast? Is it correct to say 19 bikes attended with 5 of the four wheeled variety showing up as well?” asked CK leaning back on the couch.

“That is correct Clark! It seems that Greg Gibson’s, aka GG, egg flipping prowess is gaining him legend status. Of course he’s very dependent on Cheryl Minney who keeps the ‘plating up’ running smoothly. GG’s segue from spanner flipping to the egg flip is awesome to see. Equally impressive is Alison Gibson, aka AG, whose fingers fly across the cash tray,” Swinno replied with obvious respect in his voice.

“Can be a bit chilly at this time of year with riders and machines sometimes preferring to snuggle up, so it was great to see members laughing at the chill. Of course we cheated the cold with GG having cranked up the fire drum. The early arrivers really appreciated his work,” Swinno continued.”

“It didn’t stop there either apparently,” CK ventured.”

“No it didn’t. I needed some new socks and word was out that there was a good crop of Biker Sox, aka BS, at the farmer’s market. So off we rode to Riverside Park, aka RP, and set up a pretty cool display of the bikes,” explained Swinno who, obviously happy and still pumped after his sox deal, grinned widely.

“Tell us about the Citroen Car Club Display, aka CCC,” Clark probed.

“Well CK, many of us who eyeballed the unique marquee didn’t have a lot of knowledge to start with and after checking them out not a lot had changed,” sighed Swinno wisely.

“What we do know,” he continued, “is that the French like to do it their way with unconventional being their motto. Viva La France!” half shouted Swinno, waving his new sox in salute.

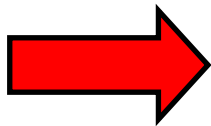

At the time of writing there are only 28 days to next BB. C U there hopefully. Now it’s time to see what’s been happening in Metropolis, aka Superman’s home town.

“Anyone seen my beret?”

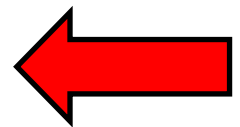

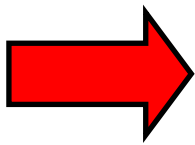

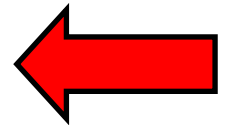

Ride Safe.
