Australia Day Display at Longwarry

# President's Report

Happy new year to everyone, hope you all had a great Christmas and an enjoyable new year.

Rob Tylee cut the hay and raked it at the club grounds recently, and then Colin Young baled it for us with a total of 34 bales being made. I then spent an enjoyable couple of hours on the Nuffield rowing the hay into a sausage at the middle of the top part of the site. This hay will eventually be donated to one of the hay drives. It is unusual to be doing hay so late, however the weather gods did give us a small opportunity to make the hay literally when the sun shone. The bales seem a little heavier this year as moving them with the Nuff8 at times had the front wheels off the ground making it hard to steer.

On another note, please all do as much as you can to help out on the Heritage show. Last year our club was outnumbered by the truck club by a fair margin. remember all the proceeds go into the club shed improvements. Let's hope for better weather this year. If you can't help with running the show, please bring along something to display, even if it is just for one day. We have streamlined and changed a few things this year and hopefully in the next report I can give you all a positive report on the show.

President Ross

## Hay from the club grounds

We have cut and baled the club block for hay. We got 34 round bales, three more than last year.

Our thanks go to Colin Young who helped us out by baling the hay.

The hay will be stored and donated to a disaster appeal.

Rob Tylee.

## Preparing for the Heritage Display

On a Saturday in January we had a working bee to cut firewood for the steam engines at our heritage rally.

We cut three big trailer loads of wood in a short time, as we have a good roll up of members from both clubs with their muscles and chainsaws.

Thanks to all those who attended and made the job easy.

Rob Tylee

# Korumburra Swap Meet

Sunday 14 January

A successful swap meet was held at the Korumburra Showgrounds by the South Gippsland branch of the Gippsland Historical Automobile Club.

There were plenty of stall holders and buyers, and an impressive display of show cars on the main oval, making the most of a warm, sunny day for a drive.
