President's Report

Hi Members,

Welcome members to 2024. Our new year is underway, we had an extremely good festive season 2023 with the catering at our Christmas function very well received. Once again Leonie and her helpers provided all things that make our Xmas get together so very special. It was so good to see so many members enjoying the day. A special thank you to the members that took the time and effort to provide food for all to enjoy, there were over 80 members in attendance.

With the new year celebrations over we can look forward to Australia day, this is usually one of our best attended days of the year. Unlike some in the community, we are very proud of our country and flag (enough said).

The events committee have a long list of events for the coming year for members to enjoy so get the car ready in the shed so they can be out and about ready for the runs.

Now members we have our 25th Easter rally coming up in 2025. We need members to put their hands up and get on the committee, don't leave it to somebody else, help your club and be a part of it.

Look forward to seeing you all after the long break.

Regards Don.

Important for Members with NSW registered vehicles.

The paperwork for NSW club registration can only be signed by the club members authorised by the NSW authorities

These members are Bob Jones and Robert Rigby.

Please do not get your paperwork signed by those not authorised to do so.

Christmas at the Club.

A very successful Christmas function was held at the club rooms to round out the year. The food was delicious, plenty of attendees and plenty of banter. Competitions for the best dressed Kid, Male and Female as well as a raffle with many prizes. The big jolly red fella turned up for the kids as well. A very pleasant afternoon outing. Well done to the organisers and everyone who contributed.

What was big in 2023?

Last year saw some exceptional amounts of money spent at auction on special cars, proving that there are many rich people in the world. A rare 1963 Ferrari 250 GTO sold for a little over \$50 million US. These models usually bring big money, and this one with racing history was no exception. It was one of 5 Ferraris sold for over \$15 mil during the year. A rare XKSS Jaguar (a road going version of the D Type), also made over \$15 mil. A real bargain was a 2019 Ford GT40, 2 owners & 200 miles on the speedo, given away for \$1.2 mil. (For those who remember, Ford spent many millions in the 60's developing a car to beat Ferrari at Le Mans, which it did in '66 and for several years later. Only 105 of these cars were made, and today bring \$15+ m. In 2005, Ford made a few, and again some years later a few more. Many restrictions were placed on the lucky well-heeled buyers, who had to sign up to several conditions. Why GT40? They were 40" high.)

In the film "The Wolf of Wall Street", a drugged-up Leonardo crashed a Lamborghini Countach several times in an effort to get home. The as crashed Lambo sold for \$2.4m, hopefully to a good panel beating owner!

If you wonder about the type of people who spend this sort of money on cars, what do you think of the person who bought a black woollen jumper worn once in 1983 by Di Spencer and not washed, for \$1.7m? Rig

Technically, the missing sausages are still in the fridge.

Not all Australian animals will kill you.

Don't get me wrong, He wants to...

He just can't.

Australia Day at the Botanic Gardens

Our club attended Australia Day celebrations at the Inland Botanic Gardens with 50 or so vehicles. Combined with the Muscle car club, there was plenty of nice things to look at and people to chat to. It marked Milly's inaugural run in her newly registered Cordia (and it got us home again)! It was the perfect excuse to stop off at a coffee shop on the way home. A very pleasant morning outing.

Taking in breakfast or in the queue for breakfast or out amongst the cars.

NSW Responsible Person's Report: Nil

Property Report: Jan said everything is available. She has lots of name badges for collection.

Welfare Report: Jan reported that Ken Andrews is in Melbourne today to see a specialist about his back. Jan reminded members to let her know of anyone that is not well please. She wished everyone a safe and happy festive season.

Building Committee: Graeme reported that pavers will be organised to pave the back of the kitchen area. Shelving for the library will also be organised.

Librarian: Alan reminded members of a slight change in procedure - when borrowing, write your name and the book/s in the red borrowing book. For returns, simply place the book/s in the returns box. Alan asked members if anyone could remember slot car racing in Mildura - maybe in a cafe on Deakin Avenue.

Historian: Brent thanked members who have sent in photos of their cars. He has 280 photos of cars on the slideshow but still more to come.

Publicity: Nil

Rally Committee: The 25th Easter Rally will be held in 2025. Don said a committee will need to be formed early next year.

Reports were moved by Peter Bullock. Seconded by Matt Downes. Carried

General Business:

1. Christmas Party to be held tomorrow 2nd December. Leonie said it will be inside as members tend to mix together more so than when sitting in groups outside. Tables and chairs to be set up after the meeting ready for tomorrow.
2. Royal Flying Doctor Service have different amounts for donations. \$105 for purchase of life saving equipment such as ventilators and defibrillators. Leonie Lyttleton suggested the proceeds from tonight's raffle be donated. Don Carr said the Club could match the raffle amount. Moved by Robert Rigby. Seconded by Trevor Combe. Carried
3. Any members not receiving the Bulbhorn please let Carolyn know.
4. Rod Gleeson's son Jarred has purchased a new printer so has a spare. He will sell it to the Club for \$50 so the Secretary can have it with the computer for printing. All agreed to purchase.
5. SRS Benetook farm - after recent visit, consider donating some money.
6. Graeme Skinner spoke about coal fired power stations - the large number that other countries have and are continuing to put in. Australia is the opposite with so few - are we going to solve the green house gases by ourselves??
7. President Don, on behalf of the committee, wished all members a happy festive season and safe travels.
8. Robert Rigby spoke about a visit to a great little shed with little boxes all named and very neat. Also has a yellow plate system (20x3ft) that goes into the ground instead of a hoist. The plate can stop at any height.

The raffle was drawn by Graeme Skinner. Raised \$205

Meeting was closed at 9.05pm followed by supper.

The Suggestion Box!

In line with the idea brought up in the last committee meeting, members are welcome to put forward suggestions relating to any aspect of the club such as activities to do or places for runs.

Stolen ZB Magnette

One of our members, Helen Farquhar, had her ZB Magnette stolen from Braybrook on Tuesday 2 January. To date, it has not been recovered and Helen is requesting help from Club members. The car is an ivory pearl colour with pristine turquoise/grey interior. The foot pedals and rims are custom and the woodgrain dash is immaculate. The engine would stand out as it has been extensively worked and has triple Webber's. Please contact Helen on [0481 791 220](tel:0481791220) if you have any information that may lead to the recovery of her much loved ZB.
