# President's Report

What a refreshing event our Easter Rally turned out to be, from meet and greet on Friday night everybody was looking forward to the rally. The meeting up with old friends and joining in with club members after years of non-events it finally was here. The club did its best as only it can to put on a welcome to all those that attended. You know you have done a good job when out of town entrants take the time to write to the committee expressing what a wonderful time they had, and they look forward to our next rally.

I must point out to members the rally committee doesn't get paid they donate their time and effort for the good of the Club so that we all have a good time. The most important thing to remember they all operated as a team and that team did a bloody good job. On behalf of the Club I'd like to thank the Rally committee and all those members that helped out in any way to make a very successful event.

Regards Don.

### **-Morris Minor Museum**

Last weekend I had the pleasure of a tour of this museum, situated in Harcourt, Victoria. Whilst I had often seen it mentioned & heard about its existence, I was greatly surprised at the vehicles on display and the enthusiasm & knowledge of the owner. Vehicles cover the range from the first minor, which was in competition of the Austin 7, to some of the very last models including a police version & a Royal Mail van.

The most interesting model was one of the specials produced to make the 1,000,000<sup>th</sup> Morris Minor 1000. The company produced 350 specials, all 2 door models, painted Lilac with white leather upholstery & black piping. Obviously not a very popular model at the time, they are most sought after now.

There are a couple of other makes on display, including an Austin Healy BN4 model, which came to Australia as a show car for the Adelaide motor show. This car is completely original with less than 40,000 miles on the speedo.

The small museum is situated in a beautiful location at 36 Ford Road, Harcourt, and should be on the list of “places to go” when next in the area. Look it up on the internet.

# 24<sup>th</sup> Biennial Easter Vineland Rally

7<sup>th</sup> – 10<sup>th</sup> April 2023

Mildura Vintage Vehicles Club hosted the 24<sup>th</sup> Biennial Easter Vineland Rally over the Easter weekend. It seemed that things were getting back to normal after COVID. Mildura was certainly very busy with a huge crowd attending the Good Friday Show and Shine in the mall that morning.

The Rally Committee were pleased to have 64 entrants although a few had to pull out due to health reasons in the weeks leading up to Easter. Registration took place in the Club rooms at Gol Gol on Friday afternoon and most entrants attended to receive their Rally pack, have afternoon tea and meet or catch up with other entrants. Our thanks to all our wonderful sponsors who have donated many items that allowed us to make great rally packs and wonderful trophies and raffle prizes.

Friday evening there was a social evening at the Club rooms where entrants were provided with a light meal and an opportunity to sit and chat.

Saturday morning commenced with a Show and Shine car display at the Buronga Wetlands. Entrants mingled and chatted with others while the public had the chance to view the vehicles. Entrants were asked to complete a judging form. The Rally was officially opened by Wentworth Councillor Mr. Peter Crisp who is always a wonderful supporter of our Club and the events that are held.

At 11am all vehicles departed the Wetlands and travelled along the Silver City Highway to Wentworth. A couple of showers didn't dampen the enthusiasm although several members with open top cars had to cover them. Lunch was provided at Strother Park then a visit to the Wentworth Gaol and Museum. After that most entrants returned along the highway to the Botanic Gardens at Buronga for afternoon tea.

The evening meal was provided by Alan Lay Catering at the Club rooms. Graeme Skinner conducted the drawing of the raffle, to the delight of the many entrants who won a prize. Thanks to Ray Rowley for his effort in selling raffle tickets during Friday and Saturday.

On Sunday morning, entrants gathered at the Homemaker Centre at 9am. A drive down Walnut Avenue, around Rio Vista Homestead and along to Apex Park where a lot of people enjoyed seeing the cars drive past. Then past Lock 11 and around the riverfront past the Rowing Club then out along Benetook Avenue to SRS Benetook Farm. A thriving and developing farm designed to encourage opportunities for people with disabilities. Scrumptious hot cross buns were served for morning tea then a barbecue provided by the Lions Club of Mildura. Shane Downes donned a pair of bunny ears and handed out Easter Eggs. Entrants enjoyed the farm animals and the 'young ones' loved the jumping pillow and the maze. Leaving the Farm, some entrants travelled along the 'Spiders Web' to Red Cliffs then visited the Holden Museum at Buronga for a cuppa and a look through the museum.

## A Challenging Life

A reminder that not all children grow up in fortunate circumstances. The following is a true story. "When I was a child, my father cheated and didn't love my family. Later, my parents divorced. Soon my mother died in a car accident. My brother and I could only live in my grandma's old house. Grandma's sister was an alcoholic. The whole family lived on my grandma's savings. Grandma recently died. My Uncle Andy is barely keeping himself out of jail from day to day. My brother left home and won't talk to us anymore. Dad, now 74, had to go out to work to support the family, and eventually, he will want me to do the same thing." Yours sincerely, Prince William

"What is this, some kind of joke?"

## Fletchers Lake and Royal Hotel Wentworth Run.

20 cars took the opportunity to do the run to Fletchers Lake and concluded at the royal Hotel for lunch. A great day was had by all accounts even if Heather didn't share her fritter. Thanks to Shane Downes for the pictures.

Interesting take on art. After taking in the Art show at the botanic gardens during the easter rally, some people have a knack of producing thought provoking pieces. I find this one intriguing.

Port Pirie, 'Stories of the Road Museum' – 30 March – 2 April 2023

Frank & I set off from Mildura at 8.30 am on Thursday with Phil Muir, & Gail & Peter Bullock. 80 km was the set pace! After stopping to stock up with fruit at Renmark Gail had put her phone on the mudguard, which eventually fell off just out of Renmark. After turning back some, caravan people had seen it & told them where it was (still going with a broken face). We then ran out of fuel in our front tank & had another stop to change over! Arriving at Burra about 3pm for a stopover at oval.

Friday - Off the next morning with Phil leading - after his GPS took us around the block we eventually got on the main road. Excited about having M.T. at the Chrystal Brook Bakery Phil again took a left turn instead of right!! Relegated to the back. Peter's turn to lead & we arrived at the Port Pire at midday. Great sites with Port & sea views. At 2pm we registered at the 'Stories from the Road Museum' & had a look around. Dinner of local fish & chips back at the C.P.

Saturday – Back to the Museum for the Inductions at 11 am; parked our trucks in for show. Viewed a great collection of vehicles & memorabilia. Lovely Lunch & dinner of B.B.Q., casseroles, sweets, etc, also morning & afternoon tea at Museum. Frank, Phil & Peter catching up with old friends & trucking enthusiasts. Gail & I had a ride around town in a A model 1928 Ford called "Droving & Mustering Contractors".

Sunday – Breakfast & dinner at Museum today. At 9.30 we participated in the parade down the main street, also a drive out to Weeroona Island; lovely views towards Port Pirie. A drone recorded this trek. PM, we went to the R.S.L. Museum & drove around town. Farewell dinner at 5.30 pm with more amazing food!!!

Monday – We left at 9.30, stopping at Burra for lunch (some had pies!!). Arriving home at around 6pm after a great weekend with lovely weather.

### **General Business:**

1. Robert Rigby asked about the photo shoot and how information will be distributed. Shane Downes will send a message out to all members. It will be a 9am start, the bbq trailer will be there. As many members as possible are encouraged to take part - if you have more than one car, there will be time to go home and swap cars.
2. Leonie Lyttleton spoke about the new display cabinet for memorabilia. Thanks to Phil and Sue Roeszler for transporting it from Melbourne, and to Bob Jones for building it. Leonie also thanked Jenny and Royston Lloyd and helpers for their work in cleaning the kitchen. Also thanks to John Van Der Zweep and Wayne Turley for donating linoleum.  
There were a couple of cupboard doors open when Leonie arrived tonight so please make sure all doors and drawers are closed properly.
3. New member packs are at the front for collection after the meeting.
4. Brent Gowers relayed a funny story that John (Sandford) with a crook foot and Phil (Roeszler) with a bung hand travelled together to the meeting - an interesting mix! Brent also reminded members that Autobarn give 10% discount to our members.  
Also a reminder to collect your membership card from the back of the room.
5. Marjory Kissick asked about the framed posters which came out of the shed - Graeme said we need to find a suitable wall to hang them all on. Matthew Downes suggested rotating the posters on a six monthly basis.
6. Daylight Saving finishes this Sunday so the May meeting will commence at 7.30pm.

**The raffle was drawn** by Royston Lloyd. Raised \$167

Graeme thanked all for attending and wished all a safe trip home.

**Meeting was closed** at 9.03pm followed by supper.
