WMHVS April 2024 Presidents Report

Hi all,

With Easter weekend upon us I hope you all enjoyed the brilliant Autumn weather and had a relaxing break. There were lots of great events on in the Wimmera, so I hope you have been able to enjoy some of those and where possible gave your red plate vehicles a run and let others enjoy your passion. Easter for us is always a great chance to catch up with family and this year a little extra special as we welcomed our second grandchild, Brooks Marshall Kemp into the world on March 20th, very excited grandparent and family with an extra this year, not that he will remember any of it.

Again, I want to thank the organisers and members who provided their vehicles for our display at the Wimmera Machinery Field Days early in March as they celebrated their 60th year. We had a great line up of different vehicles that enabled some great conversations as people remembered their experiences with some of the vehicles displayed.

Another big thanks to the members who either displayed their vehicles or attended the Wimmera Against Cancer in Kids event on the long weekend. Due to the extreme heat, I think there were around 2/3 the number of vehicles displayed and crowd numbers were a little down compared to other years but hopefully WACK were able to raise some much needed funds to continue their good work.

Congratulations to Dean on organising and running the 2024 Annual Tour weekend. Attendees had a range of activities they could opt into over the three days showcasing some diverse attractions across the region. I especially enjoyed the military museum visit on Sunday morning, this display is a credit to a passionate family allowing us to see different parts of our military past. I also need to thank Mauro, Sue and Louise for making me look good on Saturday night at the quiz, they carried our table to a win on a fun filled night. Again, well done Dean for providing the opportunity for members to enjoy the Wimmera and each other's company.

With the start of April, I just want to remind everyone to support where you can with the upcoming Swap Meet. As our major fund raiser and important promotional weekend, we are asking all members to assist wherever you can. If you think you may have some spare time to assist with line marking, gate keeping, or clean up duties please reach out to Terry and his team to register on the roster sheets. It's an oldy but a goody: 'many hands make light work'.

Don and the events team met recently so please make sure you keep across the calendar of upcoming events as they have a range of activities planned for us this Autumn and I look forward to catching up with you at these events.

Regards Colin

Visit to Pella Church and Rainbow Saturday 8th June

Lake Bolac Campout Invitation

Dear Secretaries/Editors and other Club members,

I write on behalf of the Vintage and Classic Car Club Ballarat to invite your members to the Lake Bolac Campout on the week of **Wednesday 15th - Tuesday 21st May 2024**. People are free to come for the whole time or just a day or any time in between. The Campout is open to any members with any type of accommodation, vintage or modern or even a swag!

Just a snapshot of the important details:

- the site is not actually at the Caravan Park - it is further around the Lake at Picnic Point. It is just a picnic area so there is no on-site power or on-site cabins, but power is available in the shower/toilet blocks. There are no camp fees as such, but to use the showers, a \$5 "coin-in-the-slot" token is required, which I will have at the camp site. There is a donation box at the shower block should you wish to contribute to help the Foreshore Committee with maintenance.

- there is no need to book - just turn up

- if you are there on the Friday night, you are most welcome to join us at the local Hotel for Dinner - bookings are required - could you please ring me **0427 348 060** before lunch on that Friday? Thank you.

- a big feature of the Campout is everyone sitting around the one camp fire, which we have permission from the Foreshore Committee to have again this year. And it is also a great way to cook your meals in camp ovens. The wood for the camp fire is provided, so no need to bring your own.

- we ask members to wear their name badges to make introductions easier

Could you please share this email with your members - we look forward to welcoming those who would like to attend.

For any questions or further information, please contact **Nerene Backhouse 0427 348 060**

Distinguished Gentlemen's Ride Update

Hi everyone,

Due to other commitments, I'm no longer available to be the host and organiser for the Distinguished Gentleman's Ride.

This fantastic event is on Sunday 19th May 2024 and runs annually, raising money for Men's Health. If the club or anyone would like to personally take over the running and organising for this event, that would be fantastic.

I'm am happy to help with the transformation and give 100% support for the changeover.

Any questions, please feel free to contact me.

Regards,

Mick Payne.

Hugh Russell's 90th Birthday Bash Report

By Marge Barnard

On Saturday 23 March a few from the Club went to the Laharum Hall to help Hugh and his family celebrate Hugh's 90th birthday. A great crowd of around 70-80 people were there throughout the course of the afternoon.

We were warmly welcomed by Hugh, his daughter Cheryl and her family and it was great to see Hugh looking so well. It was a credit to Cheryl and her family for organising such a wonderful celebration with lots of very tasty goodies by some of the local ladies. There was a lovely photo display too. The birthday cake sported a miniature version of Hugh's beloved Holden 1-tonner.

Hugh has been a long-standing member of our Club (along with his late wife Mary) and his restored motor bike now resides in the motor bike museum in Horsham.

Mystery Run held on Sunday March 24th 2024

Seven vintage cars, one veteran car, one vintage Indian motorcycle and a classic Aerial motorcycle met at Hungry Jacks and took part in our inaugural Mystery Tour. They were accompanied by a 1934 Ford hotrod sedan which acted as the tail end Charlie.

Following coffees and brekky for those who felt the need we headed off in a southerly direction along Stawell Road and the Henty Highway turning right at Plozza's Road in Haven and then left onto Three Bridges Road which we followed through to the Horsham - Noradjuha Road where we turned right over the Wimmera River and drove back to Horsham via the Wimmera Highway. A total of 27km.

A 15 minute stop at Weir Park for a photo opportunity then proceeding to the Capital bistro for coffee, cake and fellowship. We dispersed our own separate ways around 11.30 am.

It was great to see the turn out of the pre 1930 vehicles with their soft tops which was the aim of the event when it was suggested by Nev Thomas at an Events Committee meeting a couple of months ago.

It reminded me of when we joined the club in 1980 and bought back memories of when I bought and then restored my 1934 Ford Coupe. I felt the pressure from some of the older members because I was driving one of those late model cars with a solid tin roof ... definitely not the preferred option in those times!!!!

Thanks to all the members who participated and particularly to Meg and Gary Streeter who trailered the Indian over from Warracknabeal so they could support the run.

There will be more of these Mystery runs in the coming months and I urge all our members to come along, even in their later model vehicle, and enjoy the flavour of the " good old days!!!"

90th birthday 33 – 34 Automobiles Cowra NSW

Report – Nev Thomas

Originally Don and Cheryl Perry, Gayle and myself entered with Dons 1934 Ford Sedan and our 1934 Cabriolet. Due to family commitment and a radiator failure in his hotrod, Don and Cheryl had to withdraw. Nev and Lyn Eltze grabbed the opportunity to replace Don and pull their trusty A out of hibernation.

We set off for Cowra at 9.30am on Thursday 7th March. Headed over to Donald, then Swan Hill for lunch and fuel. Swan Hill, Moulemein, across the Hay plains in 37C heat. Arrived Hay at 4.00pm – 420km for the day. On the road early Friday (hot weather predicted again).

Headed east to Wes Wyalong. Found the distance Hay to West Wyalong 6km longer than the fuel range of the '34 !. Nev and Lyn also suffered minor grief as their right rear tyre lost most of its air. No real problem you'd think with modern technology, us out of fuel, Nev flat tyre, at least we could phone each other. Nup – no phone service !!. All sorted eventually and into West Wyalong for lunch. 37C again.

Then on to Cowra and checked in at Motel – cold shower/swim very welcome after another 420km.

Over 250 entries for the rally so lots of old vehicles about – First observation was Hot Rods outnumbered restored or genuine 90 year old vehicles 10 -1 !. And a lot of those hot Rods would be nothing like 90 years old.

Saturday began with catered pancake breakfast then a 65km drive down to Eugowra for lunch and returned mid afternoon and attended a formal dinner in the evening.

Sunday was very hot again with the day set aside for a Show'n'Shine at the Showgrounds.

Back on the road for home Monday morning, down through Young, Cootamundra – crossed back into Victoria near Corowa, turned west and arrived at Echuca around 6pm. 590km for the day.

Tuesday, we visited the Holden Museum at Echuca (the reason for yesterday's long day !) as we heard that it's about to close and all the cars sold off after 30 plus years.

From Echuca we travelled home via Pyramid Hill, Boort, Charlton Donald.

Home at 4.00pm – 6 days, 1950km, temp in the 30'sC all the way and a radiator and grill full of bugs.

It was a good trip. A great job by the organizing committee catering for in excess of 500 people – very well organized.

We should have a power point presentation and pics for our May General Meeting.
