# President's Report

Hi Members,

Welcome to our October meeting.

Thank you to those members who made the Jaguar Drivers Club welcome. A great night was had by all. Thanks to our caterers and the two Kens for cooking the barbecue. A delicious meal was enjoyed by all and much appreciated by our visitors. Our Club was presented with a book about the history of the Jaguar Club and it was signed by all participants on the run.

Our 25<sup>th</sup> Rally is coming along well with entry forms now out and a few entries already received. So get your entries in and make our 25<sup>th</sup> a rally to remember. Members of the Shoalhaven Historic Vehicle Club (Nowra) are visiting Sunraysia from 16<sup>th</sup> to 19<sup>th</sup> October and have welcomed our members to join them for dinner one night at a Club or similar venue. Please keep this in mind –they will give us a date when in contact.

It is good to see Don looking well again.

Happy Motoring and all the best, Graeme

### **Important for Members with NSW registered vehicles.**

The paperwork for NSW club registration can only be signed by the club members au-  
thorised by the NSW authorities

These members are Bob Jones and Robert Rigby.

Please do not get your paperwork signed by those not authorised to do so.

## The Suggestion Box!

In line with the idea brought up in the last committee meeting, members are welcome to put forward suggestions relating to any aspect of the club such as activities to do or places for runs.

Suggestions can be left in the box provided at the club rooms.

## Rig's Ramblings.

### Toyota In The Top 5

Figures released on the makes of stolen cars last year reveal that Toyota are in the top 5. In order, the most stolen cars are: Holden Commodore, Mazda 3, Toyota Land Cruiser, Toyota Camry & Toyota Corolla. Of course, it is older models that are the target of car thieves. Land Cruisers are popular because parts are easy to sell, and complete vehicles are easy & cheap to export.

### Stupid Rules?

It seems that the public service has its share of stupid people, no matter which country you look at. In the UK, owners of vintage lorries (trucks) are subject to one of the most ridiculous rules I have heard of. When these vehicles are presented for their annual inspection (roadworthy), they must be loaded. Obviously this puts extra strain on brakes, steering, suspension, etc. However, when they pass the test and registration is renewed, they are legally bound to not carry a load!

### And Now For Something Different.

After over 100 years of the internal combustion engine with both 2 and 4 strokes, apart from the short lived Miller Cycle used by Mazda, not much has changed in their initial design. That is until now! Porsche have just taken out a patent on a 6 stroke engine. Whereas the current design gives one power stroke in four, the new engine has three power strokes in six, delivering more power with greater efficiency. It now remains for Porsche to be able manufacture this engine economically enough to cover the gains expected. This also proves that the internal combustion engine is not dead yet. Mazda has also taken out a patent on a new AWD rotary powered PHEV sports car.

The award is for the most attendances at Club Meetings and Events throughout the year by a Male member.

Anne Gleeson was presented with the Rene Nash Award for 2024 at the Annual General Meeting in August.

# PIE RUN 2024

Sunday the 15th of September saw the running of our ever popular, annual Pie Run. The day kicked off at 10 a.m. at the Club Rooms in Gol Gol, where around 27 members gathered for morning tea. A lovely spread of hot mini pies, pasties and sausage rolls was prepared and served by Leonie.

At 11 a.m. the assembled members in their vehicles were taken on a scenic drive around the district. Taking in the sights of Gol Gol and Buronga, across the border, and followed the spider's web (Cureton Ave) to Red Cliffs. We meandered through Red Cliffs south fruit growing area, then west along Millewa Road to meet up with Benetook Ave, then back through Koorlong and then across to Andrew and Roz Hudson's home at Merbein South. On arrival we met up with all those members who decided to go straight to the lunch venue. We settled in the garden where Andrew had a nice big camp fire going (for those who thought it was cold). Andrew's Son Luke was on hand to assist in warming and serving the pies and pasties.

1966 Valiant VC Sedan

Andrew had prepared a lovely damper, which was served as an entrée. Then came the Pies and Pasties, followed by warm Apple Pies, custard and cream. I don't think that anyone would be looking for something to eat for the rest of the day!

*Although the sun was out all day, it remained cool with a bit of a breeze. It was a great day to relax and enjoy the company of fellow club members. A big thank you to the Hudson family for hosting the club in their garden and to the events committee members who organised the event. This was the Fourteenth Annual Pie Run for our club. Looking forward to the next one! Thank You To Luke Hudson and Liz Wallace for the Photos.*

## **Ackland St St Kilda Fathers Day Car Show.**

Jo and I just happened to be in Melbourne for the Fathers Day week end and our son took us to have a look at the Ackland St Car show. Lots of fantastic vehicles to be seen, a great atmosphere and plenty of eateries. A very nice way to spend a good couple of hours.

Left: Ackland St was blocked off and the show overflowed onto the grassed areas towards Luna Park. It wasn't very busy at this stage but certainly packed out shortly after.

Top Left: Some peoples messaging is very subtle, They don't sound like they embrace the modern technology too much!

Above: A very shiny Thunderbird, stunning.

Left: Inspiration for you Torana owners, how about some breathing help for your engine!

Top: This area had many Falcons and further over were the Camaros.

Above Left: All sorts of makes.

Above: I know some of our members get very excited over pop up headlights so here is a Mazda just for them!

Left: There were quite a few Shelby Mustangs including this one that had been autographed by James Courtney and Cam Waters. Very neat touch.

*If any member past or present has any old photos of club runs, vehicles or members, please let me know. We are looking for photos of interest mainly prior to 2001*

*There is one requirement though!*

*I need to know (roughly) when and where the photo was taken, and who is in it. If it is a photo of a vehicle, we need to know which club member owned it.*

*If you bring your photos to a club meeting, I can copy them there and then and you can take your photo home with you. (I do not need to keep it) or I will accept scanned copies via email provided the required information is attached.*

*The Photographic history of our club will continue to evolve over time and will be on display at club functions and gatherings where and when convenient.*

*The purpose of the collection is to display, in a pictorial format, the rich and diverse history of our club for the enjoyment of members, their guests and visitors for many years to come.*

*Brent Gowers  
MVVC Historian*

Some of you may have heard that our member Milly Conner had a piece of her art work selected as a finalist in the Pro Hart Outback Art Competition. All the finalists are on display at the Broken Hill Art Gallery until late October. Any visit to Broken Hill requires a visit to Pro Harts Gallery, where else can you see a Rolls Royce painted like this!

## Our Club Hosts the Jaguar Drivers Club of SA.

Our club put on a BBQ evening for the visiting Jag drivers from South Australia. A nice meal, good conversation and some very nice cars to look at as well. Below are some pictures of the event.

Left: Tim White, VP of the Jag drivers club of SA presenting Pres Graeme with a 50 years souvenir publication of their club.

The following photos were sent in (apologies, I lost the email and can't recall who sent them!) after the club run out to Werrimul recently. It looked like a beautiful day weather wise and always an enjoyable outing.

Right: Speaking as someone who can't draw the cork out of a bottle, I am always impressed by Silo art both big and small. Ed

Some extras, eg new window winder handles, spare fan belts, heater duct hosing etc,

Price \$40,000 ONO
