## WMHVS June 2025 Presidents Report

Hi all

Well as winter officially kicks in, we can definitely notice the cooler weather, pity it hasn't brought a bit more rain with it. My early morning starts let me witness some brilliant sunrises which are occasionally blurred with fog. Pleased my heater works well.

With the cooler weather setting in it was great to see the large turnout for National Heritage Day. Whilst I didn't count the vehicles, we did have a reasonable conga line travel through Horsham and back to Dooen where everyone enjoyed the fellowship, swapping stories over morning tea and then lunch for the members that could attend. As the tail end Charlie, it was nice to see people stop and stare as we drove around town. Well done to Neville and Bruce for their organization and I apologise to anyone else that helped for not knowing all involved.

Feedback at the Heritage Day was the quiz night held the previous evening was a great success, attracting around 60 attendees, I look forward to the full report at the meeting.

Peter and the events committee are continuing their run of interesting events and the recent coffee and cars trip out to the Horsham Aerodrome sounded like a great insight into the business operations happening out there, a lot of which we are unaware of. Sorry I missed it.

In between me writing this report and you all having the time to read it, the club will have visited Old Dadswell Town, which will provide another great opportunity for a club run. Unfortunately, due to family events I'll be in Melbourne, but I am confident Max and Jenny will keep all those who attend entertained. Again, I look forward to hearing about what I missed out on.

As we head into June, I'll give another prompt that our annual meeting is coming up and it would be fantastic to see some new members amongst the executive team. Whilst I have had a couple of questions regarding positions it would be great to see some nominations coming through. Nomination form page 11.

Please, if you have any interest in finding out more about helping to run our great club just reach out for a chat to discuss any roles of interest. If you think there is another member who would add value to the exec team, please let me know and I'll follow up with a discrete chat.

As always please keep a close eye on the events calendar and keep enjoying the hospitality of the club, as with all things in life-the more you put in the more you will receive back. I look forward to catching up at the meeting and enjoy some happy motoring.

Cheers, Col

## Veteran Car Club RACV 4 and More Rally at Nagambie 8-11 May 2025

We headed across to Nagambie on the Wednesday before the start of the rally; it rained on and off the majority of the way.

We unloaded the 1918 Buick and took a drive around town to familiarise ourselves the starting points and fill up with petrol.

On Thursday we booked into the actual rally and any cars wishing to could go on a 30km shake-down run around the outskirts of Nagambie, very scenic driving. Our evening meal was a BBQ at the rally headquarters at the Nagambie Lakes Caravan Park,

Each morning we all met at the Black Caviar statue in front of the beautiful Lake Nagambie

Friday's drive was around 93kms taking in the sights of Avenel, crossing the Historic Avenel Bridge, then on to Seymour to the Railway Heritage Centre where we were given a very interesting tour of the old carriages including one used in Royal visits. Following lunch we called in at the Victorian Railway Works and Antique Store which was packed full with anything and everything associated with trains. Our evening meal was at the Brewery.

Saturday's drive was around 117km and we did a complete circuit of the Waranga Basin, another lovely day's driving. We also went to the Goulburn Weir and took a walk along Kirwan's Bridge which opened in 1890 and is Victoria's longest timber bridge at 310m. Our evening meal was at the Rowing Club.

Sunday's run took us to a pistachio farm which had been in the same family for over 150 years, although the pistachio trees were a relatively recent addition. Many collapsing sheds to look through, mountains of "stuff" stacked everywhere! After lunch we went to Day's Mill, a 19th century mill (about 1865), which was fortunate for us as it is only open to the public one day a year so the timing was perfect. There is a beautiful 2-storey old homestead, a huge mill, dairy, stables, workshops, old machinery, blacksmith, shearing shed and piggery.

There were 29 entries (Vic, Tasmania, NSW), all pre 1918 veteran cars with 4 or more cylinders. Unfortunately 2 didn't make the start, most of the other vehicles had a (mostly) trouble-free weekend. Overlands, Buicks, T Fords, a SCAT and Hotchkiss just to name a few.

The weather was chilly at night but the days were fantastic, calm and sunny and in the low 20's which made for perfect veteran rallying.

We loaded the Buick back onto the trailer on Sunday afternoon and left for home first thing Monday morning.

A most enjoyable weekend, although I am sure we came home kilograms heavier after all the fabulous food we were treated to!!!!

## May Events Roundup

**Sunday 18th May**, Motoring Heritage Day Cruise brought out 33 vehicles of all types, from a 1928 BSA motorcycle to a Kenworth Truck, Vintage cars, Classics and some modern classics, well done to everyone who turned out in what was really nice weather with a cool start.

A cruise from the hall out to Blue Ribbon road and into town along the river and back to the club rooms, where members had a cuppa with some staying on for the excellent BBQ spread Bruce put on using up the unused supplies from the night before Trivia night. Thanks to Nev Thomas, Bruce and all who helped out to make this a great day.

**Thursday 22nd May**, Dimboola coffee and cars, a turnout of 20 members and 14 cars rolled up in Dimboola on another day of great weather. Some took in the Bakery or Dimboola Cafe and the discount open to members at the gift store across the road at 2J's, a couple of hours stay and we all cruised home.

**Sunday 1st of June** is our club visit to Old Dadswell Town and as the Newsletter for June is not out at writing this, it's looking like a big turnout with 50 members planning to attend. It's worth noting we are supporting a local business of Max Green and his wife in their 20th year since opening, great local car enthusiast identities. Weather permitting, it should be a great and interesting day down there with plenty of facilities on hand. Follow up in the July newsletter.

Thanks

Peter Anthony
