CLUB NEWSFLASH

- A reminder for those members that wish to have lunch after the monthly General Meetings – To help with an earlier distribution of meals We would like all those members that are staying for lunch to please order their meals before we start the meeting at 12 noon. The meals will then be ready at approximately 1.15pm. Please let them know your name and state that you are with MPHVC, as we will not be able to give them our table numbers as we place our order.
- Don't forget to bring unwanted books for the "Library exchange/giveaway Table" at the monthly GM. This has been very popular with members and we do require contributions for it to continue successfully.
- If you have any correspondence re MPHVC from late September to end of October.... Please relay to any Committee member other than Dawn! I will probably be unable to access email and phone calls during this time as o/seas.
- The next months Sidelights is ALWAYS emailed before the 30th of the previous month (usually about 24th). We like members to have next months Sidelights before the month starts. The emails are sent as one bulk email to all 64 recipients. If an email is undelivered it bounces back to me and I will attempt to contact you. We have had a few people mention that they are not getting them. This may be a Telstra problem on the receivers end or the emails are going into "JUNK" files, or your computer is set to only receive files below a certain size. So.... Please ring or message Dawn on 0414455989 by 30th of each month if you haven't received it, and I will resend. 2

2 - Notification of AGM and Agenda.

Vale Barbara Neate

It is with great sadness we say goodbye to Barbara Neate. Both Barbara and husband Ken have been active members of MPHVC since the 1980's. Ken was President at one stage and Barbara his right hand woman in helping to organize runs and trips away with the club. Club runs, camp-out and Picnic's, with her ever faithful picnic basket, were a highlight for Barbara. The Wednesday picnic at Mount Martha was a very odd turnout if Barbara wasn't there, as she rarely missed one! We will always remember

Barbara for her happy personality and smile. Her wicked sense of humour and her love of a good joke! The club picnics and social gatherings will certainly not be the same without both Barbara and Ken. Thank you for your friendship and kindness to so many in the club Barbara. Also for your contribution and unfailing participation in club events. We will miss and remember you always.

SUNDAY BREAKFAST RUN

Looks like the start of spring is finally happening and everyone is starting to come out of hibernation. A lucky few enjoyed a fathers day breakfast at our favorite breakfast spot.

Saturday October 14th. VILLAGE BAXTER OPEN DAY.

The Village Baxter will be holding it's popular open Day on Saturday October 14th 2023. Display cars to enter at 8.30am. Enter through Gate 2 and head towards the Administration Building, it will be flagged off again like previous years. Members to arrive individually. Open Day commences 9am to 1pm. As the classic cars and motorbikes have been such a popular part of the displays over the past few years, they are keen to once again include MPHVC in the days events. A secure parking area has been allocated for all participating cars and motorbikes. A grand parade around the village will be incorporated on the day. We have always had such a great day here at the Village with their "For Sale" stalls offering a wide variety of goods, and interesting things to discover. (bring some cash for if you see a bargain) So far we have advised approximately 12 cars will be in attendance from MPHVC. Please try to make it to this event to represent MPHVC, as it is a fun day!

THE EAGLE CHAIRLIFT AND CAFE RUN

The Eagle Café and chairlift was a perfect destination for a Sunday club run. It was so nice to be out and about on what turned out to be a great day weather wise. Not too sunny, not windy (for a change), and warm enough to sit outside and enjoy the view.

About 8 cars set off from Baxter Tavern, with another 4 cars meeting us there. Most of us chose to take the more scenic drive via Moorooduc Highway up to Red Hill, then along the top of the ridge to Arthurs Seat. Such a pretty drive that never ceases to impress.

Being a Sunday it was fairly busy with tourists and we managed to all find car spots, albeit not together. The Eagle Café offers plenty of dining options with picture perfect views from almost every table, either inside or out on the expansive deck and the Base Station provides

a great spot for a quick snack or cold drink to go.

There is the Eagle Gift Shop to browse locally inspired and made giftware or grab a fun souvenir to remember your visit by. Some members rode the chairlift with family members, and other simply enjoyed the views and morning tea.

The Chairlift ride takes you 314 metres above sea level to the summit of Arthurs Seat. The perfect spot to discover local wildlife, take in more breathtaking scenery or relax and enjoy an Eagle Picnic Package. A return trip takes approximately 30 minutes but you could stay all day exploring the nearby walks within the Arthurs Seat State Park, as did a few of our members later in the day.

About Arthurs Seat Eagle

1960: The Arthurs Seat Chairlift opened in December. It was built by Dr Vladimir Hayek, a Czech engineer.

2006: The chairlift was unfortunately closed and decommissioned after a series of mishaps including the collapse of a pylon in 2003, an injury to an elderly woman whose carriage slid into another carriage in 2004, and the trapping of eight people after a mechanical failure in 2006.

October 2009: The State Government called for tenders to build a new chairlift.

October 2010: Skylift awarded tender.

June 2014: Council approved the project subject to 70 conditions.

November 2014: Save Our Seat Inc challenged council decision at VCAT.

December 2014: VCAT approved project.

October 2015: Construction commenced in October 2015 and was completed on 5 September 2016 at a cost of \$20 million.

April 2016: Planning Minister 'calls in' the project, removing the responsibility from Mornington Peninsula Shire Council.

December 2016: Official opening date of December 3rd. Arthurs Seat Eagle briefly went into administration in March 2020 when Covid caused it to shut down, although it is now operational again.

Interesting Chairlift Facts

- The ride has 24 gondolas.
- Each gondola can hold eight guests.
- The summit is 314m high.
- The flight takes about 15 minutes each way.
- There is 120 tonnes of steel in the towers.
- The gondolas were manufactured in Switzerland.
- The tallest tower is 19m from the ground to rope level.
