President's Report

This past year we have had challenges and some very rewarding results.

To start with in August we had no Rally committee the event was due in April, the executive committee volunteered to take on the task, as the club needed the Rally to get things moving again, After a lot of hard work it came together, all we needed was numbers. In January it wasn't looking to good but our members got behind it and with the support outside the district our numbers were really good and a very successful Rally was achieved. I thank all those who volunteered their time and effort for the benefit of the club.

Communications was and is another challenge, keeping all members informed of clubs activities, a lot of members were not receiving information, due to technical problems this lead to low morale throughout the club. With hard work and persistence it paid off all members are now (I hope) fully informed, every effort is being made to maintaining the lines of communications.

The Events committee done an excellent job this year, providing events for the members to enjoy. Having fellowship with each other and bringing the club together as a group to enjoy outings and being part of a great club. Members have also been getting messages of coming events as well as the Bulhorn event page.

Our catering committee and helpers have done an excellent job for the club from the well presented finger food after our meetings, our great Xmas lunch and all events through the year, a job well done.

Office bearer's an important part the club, they keep things running smoothly, for the past year they have all done an extremely good job supporting an assisting club members.

Membership has steadily increased during the year, we had experienced a decline in numbers after CoVid, with the improvement of communications and morale, the benefits are now flowing through the club. We have around 170 members. Digitally we are moving forward as we purchased our own computer so all our clubs data and files can be stored.

The Bulhorn such an import part of the club, George has maintained the high standard of our magazine for all to enjoy.

I personally would like to thank executive committee for their total support during the year, a committee that has provide good governance for our members and the future of our Club. Financially we continue to have good results with the treasurer again doing a great job. There are the silent members that are doing supporting work behind scenes that deserve a big thank you. On a sad note the passing of some very popular and well respected members, they will be sadly missed.

Regards Don.

IMPORTANT NEWS

Current CPS renewals that are being sent out have the expiry date on the sticker of 2023. This should be 2024.

If you require further clarification you can contact Ken Andrews, Permit Scheme Officer.

Vic Roads have said:

"VicRoads are aware that a small number of club permit holders have received an incorrect club permit renewal notice, reflecting incorrectly a 2023 expiry. This error impacted renewals with an expiry between 1 and 25 July 2024. Impacted customers are still able to use this notice for payment of their club permit. Once paid, VicRoads will issue the correct label for your vehicle and logbook. **VicRoads will be writing to impacted customers and will be re-issuing renewal notices with the correct dates.**"

Thanks
Neil Athorn
Federation President

Important for Members with NSW registered vehicles.

The paperwork for NSW club registration can only be signed by the club members authorised by the NSW authorities

These members are Bob Jones and Robert Rigby.

Please do not get your paperwork signed by those not authorised to do so.

Lunch at Nangiloc Hotel

A good number of members and vehicles assembled at Big Lizzie for the trek to Nangiloc for lunch. Good publicity was gained as a photographer from the Sunny Daily was present and snapped photos for publication the next day. Featured in the paper were Rod & Anne Gleeson in their Citroen, Ian Cook in his MG, George, Jo and Milly Conner with their Model A and Peter Bullock in his Buick. As some vehicles were decidedly slower compared to others, drivers were given the option to proceed directly to Nangiloc via Iraak while others ventured down the highway and approached Nangiloc from the south. A pleasant time was had with the gathering entertained by a couple of pipers from the RSL who happened to be having lunch there as well.

In line with the idea brought up in the last committee meeting, members are welcome to put forward suggestions relating to any aspect of the club such as activities to do or places for runs.

Suggestions can be left in the box provided at the club rooms.

Samsung's safety trucks show the road ahead on the back of the truck, so that car can pass safely

What a great idea! Might be a bit expensive to implement but at times when you come up behind trucks in the wet and they whip up that much spray you cannot see what is ahead but once you are out of the spray visibility is quite good. The other time I have difficulty with is coming up behind trucks at night and truck drivers being courteous drivers, they dip their lights before you overtake. The problem is that with their lights dipped you cannot see far down the road to see if there are bends or hills obscuring oncoming traffic.

A Message From Our Club VIC Permit Officer

IMPORTANT NOTICE

Members with vehicles on the Club Permit Scheme must remember to produce their vehicle log book (for the previous year) to the Club Permit Officer / Registrar when requesting club verification for the following permit period. If the log book is not produced, the permit renewal will not be signed!

New Vehicles for VIC club permit scheme.

All vehicles must have a certificate of roadworthiness plus photos for club records and Vicroads.

Hard copy photos required of your car:

Front view

Rear view

Drivers position (Side on view with door open)

Passenger side

Drivers side

Body and Engine numbers, stampings and plates or VIN number

Present this information to the permit scheme officers, they will do the appropriate paperwork for Vicroads.

Also remember to keep your old logbooks for 12 months.

Car gathering at Autobarn

The gathering of members outside Autobarn recently attracted a great roll up. It was great to support this as Autobarn has supported us well in the past. Cars from other clubs were present also. A BBQ crew was on hand to supply something to nibble on as well.

For Sale

Full set of "On Four Wheels" magazines in binders from 1974, 132 issues.

These magazines came out weekly, and in alphabetical order covered makes, people, race tracks and other information. Included are most covers, which had a nice A4 picture of a vehicle suitable for framing.

Now a desirable addition to your library, these sell for anything up to several hundred dollars.

Yours for \$100. Robert Rigby 0427 274998
