in this edition of the Bulbhorn

President's Report

Hello, and welcome to our October edition.

The past month saw quite a few activities our club was involved in, including the Sunassist event held at the Secondary College oval, and although patronage was a little down this year, the weather was wonderful, and several of our members enjoyed

sitting under our marquee chatting and relaxing.

The Saturday prior was of course the 10 th birthday of the Holden Museum, so it was quite a busy week-end. Earlier in the month we were lucky enough to be visited by the

Austin 7 club, and by all accounts they had a wonderful time. Many thanks to all those who assisted with catering and sundry other duties, your efforts helped make their experience a memorable one.

The Veteran Car Club also visited the district, and again, as I understand it, had an amazing few days. It was great to see the (really) old-timers out and about, and, as always, our thanks to those who worked hard to make their stay enjoyable.

On Thursday the 8 th of October there is a visit to Jacaranda Village in Red Cliffs planned, so if any members would like to motor quietly out, there'll be morning tea provided, and I'm sure the residents would appreciate your efforts, perhaps bring back

a memory or two. With numerous events and functions approaching in the next

months, I'd encourage you to attend as many as possible, and if you can lend a hand if needed, that also would be greatly appreciated.

Thanks as always,

Trevor.

To All Federation Member Clubs

Volunteers are at the core of the Bendigo Swap Meet. Via your club secretary, we encourage you to volunteer!

The dates for the next Swap are 14-15 November 2026, and there's lots of roles that we will need help with – the more the merrier!

Shifts are generally 2 hours long. Volunteers get free refreshments along with a quiet break space. There will also be a 50th commemorative badge for all volunteers.

For each volunteer shift, the volunteer receives \$10 to cover their meal, and the club they represent will get a \$20 donation.

**If club secretaries can ensure the above is circulated to your club. You can then collate interested and submit it via the form here: bendigoswap.com.au/home-page/volunteers/
Any questions, email: volunteers@bendigoswap.com.au**

Regards Bendigo Swap Volunteer Coordinator

Nick Bassett

VALE IAN HINKS

We mourn the recent loss of Ian Hinks, a devoted club member and club committee member for many years. Ian was a foundation member of the Mildura Vintage Vehicles Club, joining in 1966. Throughout his active years within the club, Ian held the position of President 1979 - 1980, Secretary 1984 - 1986 and 1997 - 2004, Bulbhorn Editor 1979 - 1982, and club historian from approximately 2000 to 2021. At the Annual General Meeting in 2000, Ian was presented with Life Membership for outstanding service to the club over many years. (being the fifth life member of the club).

From 1963, Ian owned a 1920 Willys Overland Tourer.

In 2006, as the 40th Anniversary of our club approached, Ian, as historian, was hard at work compiling a most detailed and historic publication to celebrate "40 Years of Mallee Motoring." Again in 2016, Ian, assisted by fellow life member of the club, Bill Bennett, compiled and published "50 years of Mallee Motoring." These historic records show Ian's profound interest and dedication to our club and the wider Mildura District.

As a young 18 year old in the mid 1950's, Ian played football for Hawthorn in the VFL before moving to the Mildura area. He played football for Merbein, before swapping to Red Cliffs, where he was made senior coach in the 1960's.

In 1965, Ian was teaching at the Lascelles State School.

Later in his career, Ian was a secondary school teacher at the Irymple Technical School, where he worked until his retirement.

Ian had an interest in most things old and mechanical, sharing his interest in later years between the Mildura Vintage Vehicles Club and T.R.A.C.S (Tractor Restoration and Appreciation Club of Sunraysia).

Ian is survived by his wife Jean and daughter, Naomi.

Historian*

AUSTIN 7 Border Run

Mildura Sept 2026

First a little history. The Austin 7 clubs from Victoria and South Australia have been holding a border run every year since the mid 1950, except for the Covid years. These runs started as 2 day event where members would drive to somewhere near the border between Vic and SA, shake hands, maybe have a meal and drive back home again. For these border runs almost all people drove their Austin 7 to the border. Some stalwarts still do, however most trailer the cars to the event these days. Each year is organize by each club alternately, this year was Victoria's turn and they selected Mildura as the destination. This year we had about 30 Austin 7s and half a dozen other vehicles with about 80 people. Some travelled independently and others travelled in groups. Also we had 4 cars from either Sydney or Canberra join us. The run officially started on Friday 4 th Sept at the MVVC clubrooms where entrants received the rally details and had a chat. Then Friday became known as Foodie Friday as we had way too much food. First we drove to the Men's shed at Dareton, where we had a look around and chatted with the members then had Morning tea (more like a smorgasbord lunch). But as good Austin 7 people do, we kept eating by going across to the Coomealla Club for lunch. After being stuffed with food we progressed to the Early Settlers Museum in the old packing shed. There we had afternoon tea which no one really needed! Then back to the accommodation for a rest and to digest all the food before we all headed to the Merbein South hall for a BBQ and Salad tea supplied by the ladies and some gentlemen, while Ivan Shaw gave a talk on the Dried Fruit industry. Saturday saw us assemble in the carpark at Dan Murphy's and then proceeded to drive to Psyche Pumps. Unfortunately it rained the night before and the first 200 metres (sorry that should be Yards, Austin 7's don't work metric) was a quagmire of mud, the rest of the road to the pumps was fine. We were later advised that the first 200 metres was managed by MRCC and the rest of the road is managed by Dept Environment, Land and Planning. After viewing the Pumps and Steam shed, we drove to Rio Vista Mansion, where we arranged the cars around the fountain for a photo with the mansion in the background. Then we drove to the lawn Tennis club car park and lined all the cars up in a line for another photo. The rest of afternoon was free. In the Evening we all proceeded to the Red Cliffs Club for our evening meal and some Old-Style Dancing. Which I noticed David and Veronica were very adept at. Bugger it, my knee was playing up so I couldn't join them. Sunday saw us meet at Dan Murphy's again for a drive to Wentworth where we viewed the Old Gaol and Museum then Lunch at the Lock 10 Restaurant. After lunch some went back to their accommodation while others checked out the Junction and Perry Sand Hills. Then it was off to the MVVC clubrooms for our evening meal and Trivia Quiz night kindly prepared by the local Members. Monday was a drive to the Holden Museum, which a few entrants said I cheated because I drove the HDT Magnum instead of the Austin. Then morning tea at the clubrooms again and lunch at the Gol Gol Hotel. After lunch a drive to Woodies Gem Shop where a few wallets and purses came out a bit lighter. I was expecting to be one of the lighter ones but escaped unharmed. Then for the evening meal we all descended on K Kings Palace Restaurant.

Then it was all over for another year.

A BIG THANK YOU to members of the MVVC for all your Hospitality it was greatly appreciated by all.

Daryl Beasy

There was a great variety of body styles attending the rally.

Mallee Drifters Show n Shine

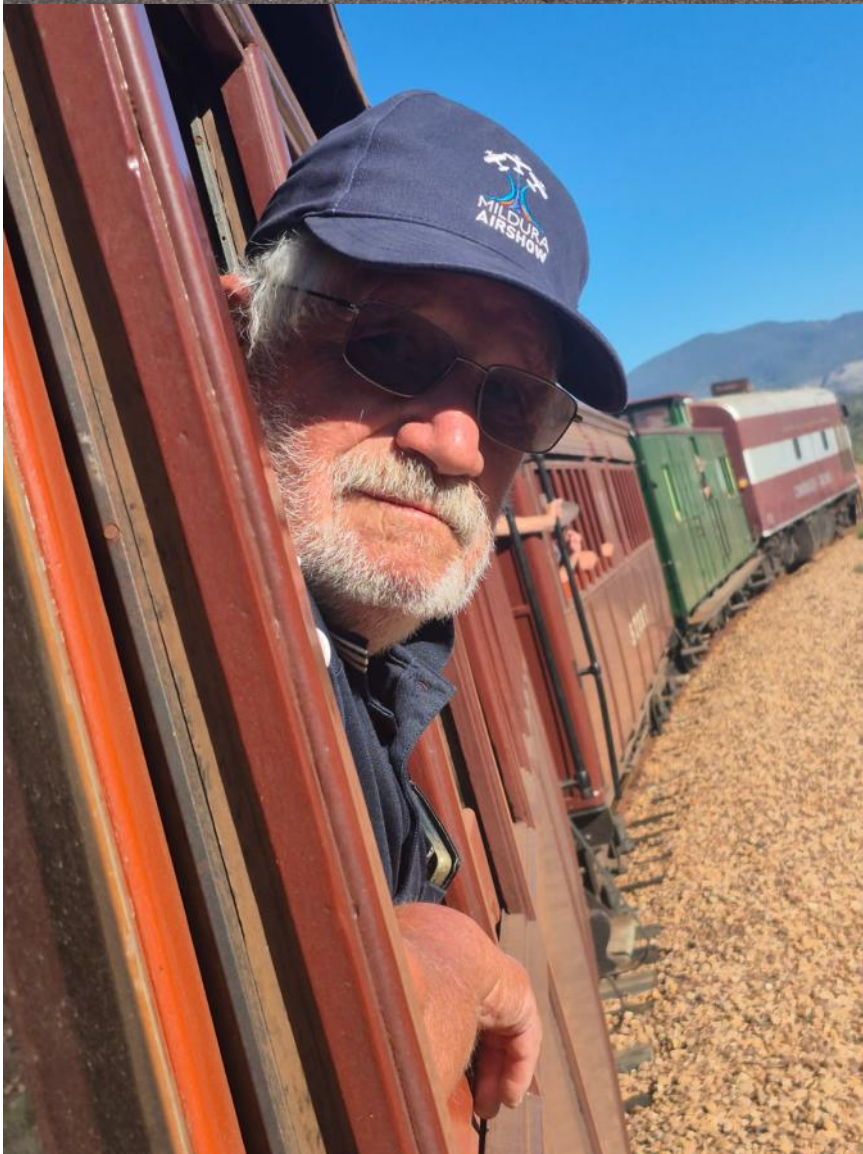

Jenny and Royston sent in these photos from the Mallee Drifters Show in Ouyen. About 130 cars registered with 15 from MVVC. Many bikes also attended. Cars were judged on 3 categories, Vintage, Classic and Modern plus Vans, Utes and 3 categories of bikes. There was also a special presentation for scrutineers choice and Best in Show. The day was well supported with sponsorship from businesses in Mildura, Ouyen and Swan Hill. Great prizes on offer plus a winner takes all raffle prize. Overall a well organised day in a beautiful Setting.

A Jaunt into SA with Graeme and Leonie

Earlier this year Graeme and Leonie sent in a selection of pictures from a road trip to the mid north of South Australia. Looks like there is plenty of good things to check out and keep you occupied.

A return trip to Quorn on the Sundowner train. Its on my bucket list!

These pics come from the Port Pirie Road Museum (although I'm not sure the Barbies were there too).

1909 DAIMLER-RENARD

Farina

Road Train

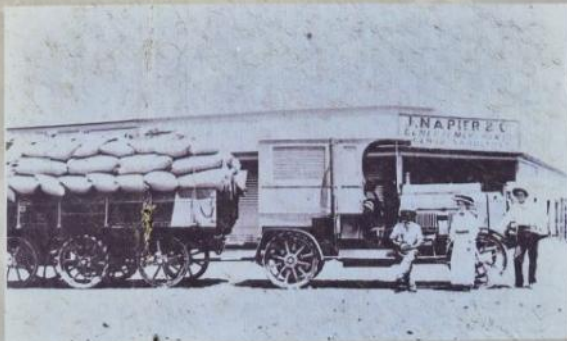

July 25, 1909

The first trial run from Farina to Yudnamutana began on July 26, 1909 carrying a load of approximately 20 tonnes of timber and iron for the construction of the smelter and chaff for the teamsters who had been transporting ore to the Farina Railway Station.

Unfortunately, the road train proved unable to carry profitable loads of ore as the track was rough and break downs were frequent. Traction was difficult to maintain in often sandy and rough terrain.

The loco, as well as propelling itself, transmitted power to a propeller shaft (cardan shaft) with universal joints to the first follower and more cardan shafts linked the additional followers. Each follower had six (6) wheels and the centre wheels were driving wheels.

Also, a unique steering system used cross wire ropes which were connected to the steerable front and rear axles of each follower. This enabled the road train to track perfectly.

On the back of this photograph is written

Yudnamutana Road Train: 5 March 1910
Lady is Miss Napier—later Mrs Jack Bell

A bit different to modern road trains but it must have been very efficient in it's day.

Where would you expect to see HMAS Whyalla but in Whyalla! A world war two corvette.

when i die I want to go peacefully like
my grandfather did, in his sleep - not
screaming, like the passengers in his
taxi.

Veteran Car Rally at Wentworth

What a great selection of veteran vehicles gathered at Wentworth recently. Some of our members attended and some even got to go for a ride! Pictures from Brent Gowers.

Above De Dion Bou-
ton

Left: This Rambler
was \$750 new, not
sure of the asking
price now!

Left: A Charles from 1902

Right: An Elmore, also from 1902.

Sunassist Car Show—Mildura Senior College Oval

Many MVVC members attended the Sunassist car show at the senior college oval recently. There was a great variety of vehicles to look at and even though the weather was quite warm and windy, it was still worth a look. Trevor sent in these pictures of the day.

10th Birthday of the Holden Museum

I estimate about 20 or so members helped the Holden Museum celebrate their 10th birthday..... And we were joined by lots of other people. The parking stretched a long way along each side of the street out the front of the museum. It was a hive of activity given there were other car related activities on the go that week end.

MILDURA VINTAGE VEHICLES CLUB INC

CHRISTMAS PARTY

MVVC INC CLUBROOMS, GOL GOL, NSW

Wilkinson Hall, Cnr William & Burns Street, Gol Gol NSW

SATURDAY, 5TH DECEMBER, 2026

TIME. 6.00PM

TO BE WON**

non perishable (in-date) items donated
to add to hampers would be appreciated

If you have children under 12yrs.attending

Please provide a Santa gift (max \$15.00)

Wrapped and clearly named

*Contact: Leonie 0448 082 424 for further
information*

**A FUN SOCIAL EVENING
DRESS UP AND ENJOY
THE SPIRIT OF CHRISTMAS**

If any member past or present has any old photos of club runs, vehicles or members, please let me know. We are looking for photos of interest mainly prior to 2001

There is one requirement though!

I need to know (roughly) when and where the photo was taken, and who is in it. If it is a photo of a vehicle, we need to know which club member owned it.

If you bring your photos to a club meeting, I can copy them there and then and you can take your photo home with you. (I do not need to keep it) or I will accept scanned copies via email provided the required information is attached.

The Photographic history of our club will continue to evolve over time and will be on display at club functions and gatherings where and when convenient.

The purpose of the collection is to display, in a pictorial format, the rich and diverse history of our club for the enjoyment of members, their guests and visitors for many years to come.

*Brent Gowers
MVVC Historian*

REPAIR - REBUILD - RECONDITION

We specialise in repairing and/or modifying pre 1995 car radios, AM FM Cartridge Cassettes and CDs.

We can also add AUX inputs to most car radios that allow you to use of an FM tuner or play music from your iPod, MP3 Player, Phone etc, making your old car radio better than ever before.

And the best part is your radio still looks totally original.

Our external module options, including bluetooth connectivity, simply hide away behind your dash.

- Add an **FM Tuner Aux Bluetooth** to AM radios keeping original internals
- Add an **AUX Input** & play music from your iPod, MP3 Player, Phone etc...
- Add a **BLUETOOTH Module** & Stream music directly through your radio like a modern vehicle

Based in Melbourne, we also accept work from interstate and overseas. Please contact us for advice about freight.

We accept most credit cards, direct deposits & paypal.
