

Old News

Newsletter of Baw Baw Old Engine & Auto Club Inc.

Harvesting a crop of oats using a Titan 10-20 tractor and Sunshine Reaper and Binder

President's Report

As I write this report, we are just weeks away from the Darnum Heritage Display.

The club grounds are looking great after countless hours of work preparing. Thank you to all who have contributed.

We are looking forward to a fantastic weekend, with many other clubs and groups planning to attend, including steam engines, military vehicles, tractors, some car clubs and lots of trucks.

The club grounds will have separate display areas for cars, trucks, tractors, engines and the like. An indicative plan of the grounds is provided in this newsletter, which will be revised as needed each day depending on demand for different exhibits.

Food will be available from several vendors, including the Warragul Lions Club and food trucks. The bar is to be run by the local footy club.

Inside the shed, the Rokeby engine will be a feature alongside a display of craft and collectables, with the bar and the first aid also in the shed. In the evening, displays will make way in the shed for a catered dinner for exhibitors. Bookings are essential for dinner and can be made by contacting Helen on 0437 953 304.

Over the weekend, our club will be managing public parking, and we will need some volunteers to please assist with this. Thank you to those who have already put their hand up.

As final preparations get underway, we ask that everyone please try and bring as many exhibits as you can, whether it be a car, tractor, engine or something else, to create an impressive display representing our club.

While all efforts are currently directed towards the Heritage Display, our focus will soon move to other coming events.

Our club has been invited to display at the Tyabb Airshow on Sunday 1 March. This is a great opportunity, but as yet we have not received interest from members. If you would like to display, please contact Rod Boreham.

We have also been invited to display at the Warragul Show. If you would like to display, please let committee know or express your interest at the February meeting.

If you have any ideas or suggestions for other events you would like to see on our calendar, please don't hesitate to share with the committee.

President Ross

Entries close 30 June 2026

PAST EVENTS

January Barbeque

Tuesday 13 January

A casual evening barbeque was held at the club shed in place of a formal meeting in January.

About 30 members met at the shed for dinner, followed by an update from Ross on the upcoming Darnum Heritage Display and the plans that are in place.

North-East Victoria

Early January

On a recent trip to Victoria's north-east, Geoff and Judy Little discovered some museums of interest.

Their first visit was to a collection in Chiltern. This was followed by Rutherglen, where 'Caffeine N Machine' provided a café alongside a vintage bike and car display.

PAST EVENTS

Australia Day at Longwarry

Monday 26 January

Several members attended Australia Day celebrations in Longwarry, with approximately 20 cars, three trucks and a small engine on display.

The winner of the People's Choice Award was Adelle with her Studebaker, shown pictured with her car and being presented the award by Debbie Brown.

Photos by Evan Williamson and Pauline Matthews

PAST EVENTS

Harvesting a crop of oats using a Titan 10-20 tractor and Sunshine Reaper and Binder

Sunday 14 December

Ross and Laurie picked me up and we travelled to Loch to watch Adam harvesting his oats crop with a Sunshine reaper and binder and Titan tractor which he has restored.

The machine worked very well, with Tommy riding the saddle dropping out sheaths in heaps, which we then learnt how to stack and make stooks leaving them to dry, which they have done very well.

Rob Tylee

CLUB SHED

Preparations for the Darnum Heritage Display

Workers have been busy at the club grounds preparing for the Darnum Heritage Display.

Inside the shed, the meeting room has been given further finishing touches, including wall lining and a new window on the eastern side.

On the outside of the shed, a new sign has been installed on the western end for the Community Bank Drouin & District, the major sponsor for the Heritage Display.

Out in the grounds, earthworks have continued creating more level space, and an area has been prepared in the south-east corner to accommodate a working machinery display as part of the weekend.

Photos by Rob Tylee.

MEMBER CARS

More wedding duties

The extended Williamson family had another wedding in January this year. On this occasion Morris Minors were the choice of wedding car rather than Minis.

Gary Williamson's two Series MM Morris Minors were transported to near Leongatha, where they received white ribbons before delivering the bride and bridesmaids to the ceremony.

The green car is a 1948 example, being among the first 500 right-hand drive Morris Minors made and believed to have been the first car shown to the Melbourne and Victorian public in 1949.

The black tourer was restored by Gary before he obtained his drivers licence in the 1970s and was his first car on the road. It was chosen to feature in some of the new couple's wedding photos after the ceremony.

FOR SALE AND WANTED

Advertising of items for sale or wanted can be placed for free by members. Advertisements will run for three (3) consecutive issues unless the editor is notified that the item has been sold or is requested to continue the advert. Please forward details and photos to the editor, either by email (editor@bawbawvintage.com) or in person to any committee member. A price and registration number (or VIN/chassis number) must be provided for all vehicles.

Wanted

Old 1" brass poly pipe fittings as per photo.

Any configuration, tees, elbows, unions. Thimbles and rings not required.

Please contact Jesse on 0408 513 844.

Old Car Batteries

The club collects old car batteries as a means of fundraising via scrap metal.

If you have any old batteries, we would appreciate your donation.

Batteries can be left at Rod Boreham's for collection (1 Robin Hood Way Drouin, on pallet at the road side of shed). This is the preferred location, but they can alternatively be left at the club shed.

Are you interested in joining Baw Baw Old Engine & Auto Club?

We invite you to contact us or come along to a club meeting or event and introduce yourself.

You can contact our membership officer at membership@bawbawvintage.com

Old News Submissions

Submissions for the club newsletter are always welcome.

Please email any photos, reports, stories or other items of interest to the editor at editor@bawbawvintage.com.

You can also provide a hard copy to any committee member.

The deadline for submissions is the Friday following the monthly committee meeting (held on the fourth Wednesday of the month).

This Month's Cover

Harvesting a crop of oats using a Titan 10-20 tractor and Sunshine Reaper and Binder

Club Permit Scheme

New Vehicles

For information on entering a new vehicle on the Club Permit Scheme, please refer to our [club website](#) or speak with our Safety Scrutineers for more details.

Safety Scrutineers:

Rod Boreham 0412 070 303

Wayne Henry 0409 252 258

Permit Renewal

Permit registration renewals are to be signed by club signatories at club meetings only. Please do not approach them at their workplace or home, except in a pre-arranged emergency situation. Club permit holders must always remain financial members of the club, with yearly membership fees received no later than June 30.

Club Signatories: Ross Watson or Rod Boreham ([club meetings only](#))

The Committee and Editor of Baw Baw Old Engine & Auto Club Inc. cannot accept responsibility for any opinions expressed or the accuracy of information printed in content within this publication.

Baw Baw Old Engine & Auto Club Inc.

Our Shared Commitment

Being part of our club means being part of a community. To help keep the club active, connected and vibrant, we encourage all members to:

- **Attend at least one meeting each year** to stay informed, connected and have a say in club matters.
- **Take part in at least one club event each year**, such as a club run, display, shed visit or social gathering, helping build camaraderie and shared enjoyment of our vehicles and engines.

With every member contributing in these small ways, we can help ensure the club remains strong and continues to grow.

Adapted from the newsletter of the Historic Commercial Vehicle Club of Western Australia.
