President's Report

Welcome, Members, to another year - January seems to have flown past and it is February already. A typical hot summer for Sunraysia - as I write this we are in the midst of a heat wave of at least 7 days over 40°C so I hope everyone managed to stay cool.

I hope all members had a great Christmas and New Year. Our Christmas Party in December was well attended and it was good to see some new members participate. The raffle was well supported, with a chance to win some wonderful hampers and Christmas hams.

The Christmas Lights run was also well supported - a picnic tea on the lawns near the tennis club, followed by a well organised and mapped out trail around the Lights. Thank you to Jenny and Royston.

Australia Day will have been before our meeting so I hope lots of members attended the Botanical Gardens for the breakfast and enjoyed catching up with one another.

We are looking for members to volunteer to form a committee to organise the Easter Rally for 2027. It will be the 26th Rally that the Club has held. It is not a lot of work but planning needs to commence soon so that venues and catering can be booked in as Easter is usually a busy time. Please consider if you are able to help out. We will call for volunteers at the February meeting.

As a Jaguar owner and enthusiast, can anyone at the meeting tell me what emblem was on Queen Elizabeth II's Jaguar?

Happy Motoring,

Graeme

Australia Day 2026— Botanic Gardens

Top and Middle: The feeding of the multitudes.

Left: The queue was long for a long time. I did hear that they served 400 breakfasts on the morning.

There were many cars present from both our club and the muscle car club. The vehicles even overflowed into the mallee area beside the car park (below).

An interesting touch with the Oldsmobile on the front cover was the matching (even down to the colour) matchbox car hanging from the mirror!

Recent Classic Car Auction Results

At the most recent Burns auction, good original vehicles bought good money, although some exotics prices are low. This is probably because repairs, restoration, etc. could end up costing heaps.

Here is a list of some of the more interesting:

- '62 Peugeot 403-\$6,100 (my pick of the bunch)
- '70 Mercedes 250CE- \$3,500
- '39 Wolseley Limo \$27,300
- '51 FX sedan- \$23,200
- '69 Ford Cortina- \$12,800
- '69 Ford XY GTHO Phase 1- \$222,000
- '68 Holden Belmont ute- \$33,000
- '76 Ford XB GT coupe- \$186,000.

Just think of what you left laying in paddocks over the years! Ed.

Christmas Party 2025.

A very successful Christmas Party was held at the clubrooms last December. It was well attended it made for a pleasant evening.

Left: The catering was fantastic, many thanks to those involved in bringing items to share and for the team that put it all together.

Right: Then this fellow arrived with presents for the kids.

Left: He did the rounds handing out lollies!

Left: I haven't seen that movie "Bad Santa" but I'm starting to wonder if it was based on this fellow!

There was best dressed Ladies, Gentlemen young ladies and gentlemen prizes handed out.

However, beware of this “Fugitive”!!!! She jumped the sweets table queue and our table got to go last as a result! She is looking pretty guilty.

Christmas Lights Picnic and Run

A good roll up of members attended the picnic and light run just before Christmas 2025. A nice feed of take aways and an excellent guide map prepared by Royston and Jenny Lloyd made this a pleasant event. It was a warm evening but looking back at what we have just been through it wasn't too bad!

If any member past or present has any old photos of club runs, vehicles or members, please let me know. We are looking for photos of interest mainly prior to 2001
 There is one requirement though!
 I need to know (roughly) when and where the photo was taken, and who is in it. If it is a photo of a vehicle, we need to know which club member owned it.
 If you bring your photos to a club meeting, I can copy them there and then and you can take your photo home with you. (I do not need to keep it) or I will accept scanned copies via email provided the required information is attached.
 The Photographic history of our club will continue to evolve over time and will be on display at club functions and gatherings where and when convenient.
 The purpose of the collection is to display, in a pictorial format, the rich and diverse history of our club for the enjoyment of members, their guests and visitors for many years to come.
